

iv.

CSCU | Board of Regents

AGENDA - REGULAR MEETING

10:00 a.m., Thursday, March 28, 2019

System Office, Regents Boardroom, Ground Level, 61 Woodland Street, Hartford, CT

1.	Call to Order	
2.	Roll Call and Declaration of Quorum	
3.	Adoption of Agenda	
•		
4.	Opportunity to Address the Board*	
5.	Board of Regents Chair Matt Fleury	
6.	CSCU President Mark E. Ojakian	
7.	Approval of February 21, 2019 Meeting Minutes	
8.	Consent Agenda	
	A. Discontinuations	
	i. Mental Health – Certificate – Norwalk CC	.1
	ii. Group Exercise Instructor – Certificate – Norwalk CC	3
	iii. Gerontology – Certificate – Norwalk CC	5
	iv. Computer Security – AS – Norwalk CC	.7
	v. Networking – Certificate – Norwalk CC	.9
	B. Suspensions	
	i. Internet Programming Technology – AS – Manchester CC	.1
	ii. Internet Programming Technology – Certificate – Manchester CC	.3
	C. Modifications	
	i. Computer Systems Technology – AS – Northwestern CT CC [Curricular changes]1	5
	ii. Chemistry – BA and BA with Biochemistry Option - WCSU [Name change]1	7
	iii. Computer Science Technology – AS – Three Rivers CC [Curricular changes]	19
	iv. Electrical, Laser, Robotics Engineering Technology – AS – Three Rivers CC [Curricular	
	changes/Name change]2	1
	v. Advanced Manufacturing Machine Technology II – Certificate – Quinebaug Valley CC	
	[Curricular changes]	<u>2</u> 3
	D. New Programs	
	i. Basic Manufacturing: Machine Technology Level I – Certificate – Quinebaug Valley CC	.5
	ii. Culinary Arts – AA – Gateway CC2	27
	iii. CSCU Pathway Transfer A.A. Degree: Biochemistry Studies	29

CSCU Pathway Transfer A.A. Degree: Geography Studies......30

8.	Consent Agenda –(continued)	
	E. Accreditation of a Licensed Program	
	i. Nurse Anesthesia Practice – Doctorate (DNAP) – CCSU Institution	onal Accreditation33
	F. Honorary Degrees	35
	G. BOR Faculty Awards – CSCU	37
	H. CSCU Shared Governance Awards	46
	I. Promotion & Tenure recommendation – ECSU	48
	J. CSCU 2020 Funding Reallocation for Barnard Hall – CCSU	62
	K. CSCU 2020 Funding Reallocation – ECSU, SCSU, WCSU	65
	L. Authorization to Enter into a Lease of Space Agreement – Ga	teway CC68
9.	Academic & Student Affairs Committee – Merle Harris, Chair	
	A. Advanced Placement Credit and Placement Policy	51
	B. CSCU Community College Areas of Study	55
10.	Audit Committee – Elease Wright, Chair	No Exhibits/No Report
11.	Finance & Infrastructure Committee – Richard J. Balducci, Chair	
	A. Authorization to issue Bonds through CT Health and Educational Fa	cilities Authority71
	B. Approval of FY2020 Connecticut State Universities	02
	and Charter Oak State College tuition and fees	83
12.	HR & Administration Committee – Naomi Cohen, Chair	No Exhibits/No Report
13.	Executive Committee – Matt Fleury, Chair	No Exhibits/No Report
14.	Executive Session	
	A. Discussion concerning pending litigation	
	B. Discussion concerning evaluation of a public officer or employee	
15.	Adjourn	

^{*}Opportunity to Address the Board: 30 minutes total; no more than three minutes per speaker. There will be two separate sign-up lists: one for students and another for faculty, staff and the public. Students will address the Board first, for up to 15 minute's total, followed by up to 15 minutes total for the faculty, staff and public. The lists will be available in the meeting room for sign-up beginning at 8:30 am. Only one sign up per person (one person may not sign up for a group of individuals). Individuals who wish to address the Board must sign-up prior to 10 am. Speakers will be recognized from each list in the order of signing up (adherence to time limits will be required).

RESOLUTION

concerning

Program Discontinuation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the discontinuation of a program in Mental Health (CIP Code: 51.11502 / OHE # 06837) leading to a Certificate at Norwalk Community College, with a phase-out/teach-out period ending May 2020.

A True Copy:
Erin A. Fitzgerald, Secretary of the CT Board of Regents for Higher Education

Discontinuation of a program in Mental Health leading to a Certificate at Norwalk Community College

BACKGROUND

Summary

There has been low enrollment in this program over the past five years – on an annual basis, fewer than 10 students have enrolled and no one has completed this certificate since 2015.

Phase-Out/Teach-Out Strategy

The chair of the social sciences department will contact the students currently enrolled in this certificate to determine what each needs to complete the certificate. Required courses will be offered (or substitutions arranged) over the teach-out period.

Resources

No additional resources are required for the discontinuation of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve discontinuation of this program.

RESOLUTION

concerning

Program Discontinuation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the immediate discontinuation of a program in Group Exercise Instructor (CIP Code: 31.0599 / OHE # 17388) leading to a Certificate at Norwalk Community College.

A True Copy:	
Erin A. Fitzgerald, Secretary of the	
CT Board of Regents for Higher Education	

Discontinuation of a program in Group Exercise Instructor leading to a Certificate at Norwalk Community College

BACKGROUND

Summary

There has been no enrollment in this program since its inception in 2014.

Phase-Out/Teach-Out Strategy

There are no student currently enrolled students in the program and there are no plans for future enrollment; thus, there is no need for a phase-out/teach-out strategy.

Resources

No additional resources are required for the discontinuation of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve discontinuation of this program.

RESOLUTION

concerning

Program Discontinuation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the immediate discontinuation of a program in Gerontology (CIP Code: 30.1101 / OHE # 09773) leading to a Certificate at Norwalk Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Discontinuation of a program in Gerontology leading to a Certificate at Norwalk Community College

BACKGROUND

Summary

There has been an average of one student enrolled in this program over the course of the past five years.

Phase-Out/Teach-Out Strategy

There are no students currently enrolled in the program and there are no plans for future enrollment; thus, there is no need for a phase-out/teach-out strategy.

Resources

No additional resources are required for the discontinuation of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve discontinuation of this program.

RESOLUTION

concerning

Program Discontinuation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the discontinuation of a program in Computer Security (CIP Code: 11.1003 / OHE # 10487) leading to an Associate of Science degree at Norwalk Community College, with a phase-out/teach-out period ending May 2020.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Discontinuation of a program in Computer Security leading to an Associate of Science degree at Norwalk Community College

BACKGROUND

Summary

There has been low enrollment in this program over the past five years, resulting in an average of under three graduates each academic year. It is no longer financially sustainable to offer this program.

Phase-Out/Teach-Out Strategy

The currently enrolled students will be afforded opportunities to complete the degree. All have been contacted and a schedule of remaining required courses has been developed for Spring '19, Fall '19 and Spring '20 in a hybrid format.

Resources

No additional resources are required for the discontinuation of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve discontinuation of this program.

RESOLUTION

concerning

Program Discontinuation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the discontinuation of a program in Networking (CIP Code: 11.0901 / OHE # 12460) leading to a Certificate at Norwalk Community College, with a phase-out/teach-out period ending May 2020.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Discontinuation of a program in Networking leading to a Certificate at Norwalk Community College

BACKGROUND

Summary

There has been low enrollment in this program over the past five years, resulting in an average of three graduates each academic year. Only four students are currently enrolled; thus, it is no longer financially sustainable.

Phase-Out/Teach-Out Strategy

For currently enrolled students only, the two required courses will be offered in the Spring '19, Fall '19 and/or Spring '20 in hybrid format for consecutive 8-week sessions.

Resources

No additional resources are required for the discontinuation of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve discontinuation of this program.

RESOLUTION

concerning

Program Suspension

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the suspension of a program in Internet Programming Technology (CIP Code: 11.0201, OHE # 08167) leading to an Associate of Science degree at Manchester Community College, until Fall Semester 2022.

A True Copy:

Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Suspension of a program in Internet Programming Technology leading to an Associate of Science degree at Manchester Community College, until Fall Semester 2022

BACKGROUND

Summary

The program is a Low Completer. There are three courses uniquely required for this degree and enrollment levels therein are insufficient to run them.

Rationale

Students were originally selecting this terminal degree because they thought they only wanted a two-year degree. With the advent of the TAP Computer Science degree, which has a clearly defined and well promoted transfer path to four-year institutions, students are now selecting the TAP degree instead because it gives them the option of transferring if they later change their mind.

As the community colleges work to consolidate programs, a new and more viable version of this degree may be developed, or the idea of a terminal programming degree may be abandoned altogether. Whether to eventually reinstate or terminate this degree will depend on the outcome of these discussions.

Phase-Out/Teach-Out Strategy

Department chair has met with students currently majoring in Internet Programming. Chair will supervise independent study for the three courses that are required by this degree. For example, in Fall 2018, three students were supervised for independent study in CSC*230.

Resources

No resources are required for the suspension of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve suspension of this program.

RESOLUTION

concerning

Program Suspension

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the suspension of a program in Internet Programming Technology (CIP Code: 11.0201, OHE # 08173) leading to a Certificate at Manchester Community College, until Fall Semester 2022.

A True Copy:

Erin A. Fitzgerald, Secretary of the CT Board of Regents for Higher Education

Suspension of a program in Internet Programming Technology leading to a Certificate at Manchester Community College, until Fall Semester 2022

BACKGROUND

Summary

This certificate is linked to a parent degree program and both are low completers. It is simultaneously proposed that the degree program is suspended. Between the two programs, there are not enough students to run the courses. The certificate is only viable if the associated terminal degree is viable.

Rationale

With the advent of the TAP Computer Science degree, which has a clearly defined and well promoted transfer path to four-year institutions, students are now selecting the TAP degree instead because it gives them the option of transferring if they later change their mind.

As the community colleges work to consolidate programs, a new and more viable version of this degree may be developed, or the idea of a terminal programming degree may be abandoned altogether. Whether to eventually reinstate or terminate this degree will depend on the outcome of these discussions.

Phase-Out/Teach-Out Strategy

Department chair has met with students currently pursuing the Internet Programming degree or certificate. Chair will supervise independent study for the three courses that are required for these programs. For example, in Fall 2018, three students were supervised for independent study in CSC*230.

Resources

No resources are required for the suspension of this program.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve suspension of this program.

RESOLUTION

concerning

Program Modification

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the modification of a degree program – Computer Systems Technology (CIP Code: 15.1202, OHE # 02826) leading to an Associate of Science degree, specifially a curricular change at Northwestern Connecticut Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Modification of a degree program, Computer Systems Technology at Northwestern Connecticut Community College

BACKGROUND

Summary

The proposed curricular changes would reduce the number of course credits required to complete the degree program to 60 in compliance with normalization policy and in compliance with common course numbering.

Resources

There are no additional costs required for the proposed program modifications.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve this program modification. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

Program Modification

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the modification/name change for the Bachelor of Arts Chemistry ACS and non-ACS approved degrees and the Bachelor of Arts Chemistry with Biochemistry Option ACS and non-ACS approved degrees (CIP Code: 40.0501, OHE # 00195) at Western Connecticut State University.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Modification/Name Change of related degree programs – from Chemistry, non-ACS and ACS approved B.A. degrees and Chemistry with Biochemistry Option, non-ACS and ACS approved BA degrees to Chemistry, non-ACS and ACS approved BS degrees and Chemistry with Biochemistry Option, non-ACS and ACS approved BS degrees at Western Connecticut State University

BACKGROUND

Summary

The institution considers the Bachelor of Science (BS) label to be more appropriate than the Bachelor of Arts (BA) label for its students in their pursuit of graduate school and industrial positions in chemistry, biochemistry, health and related fields.

Resources

There are no additional costs related to the proposed name change.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve this program modification. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

Program Modification

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the modification of a degree program – Computer Science Technology (CIP Code: 15.1201, OHE # 08163) leading to an Associate of Science degree, specifically a curricular change at Three Rivers Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the CT Board of Regents for Higher Education

Modification of a degree program, Computer Science Technology at Three Rivers Community College

BACKGROUND

Summary

Computer Software has experienced a technological shift from the more traditional long software development life cycles (SDLCs) to continuous integration (CI) and continuous delivery (CD). As a result, a degree in Computer Science Technology requires more than basic programmatic knowledge and skills. The proposed program modifications will modernize the referenced terminal/workforce degree, in-line with local and global demands and trends

Resources

The proposed modification optimizes use of existing institutional resources currently in place, including: professional faculty, department resources, classroom and lab facilities, resource volumes, and design, testing and analysis equipment.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve this program modification. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

Program Modification

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the modification of a degree program – Electrical, Laser, Robotics Engineering Technology (CIP Code: 15.0303, OHE # 00748) leading to an Associate of Science degree, specifically curricular changes and a name change to Electrical Engineering Technology at Three Rivers Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Modifications (curricular change and name change) of a degree program, Electrical, Laser, Robotics Engineering Technology at Three Rivers Community College

BACKGROUND

Summary

An internal assessment of the referenced program concluded that it lacks rigor and was initially designed in a scattershot manner to serve multiple masters. Curricular changes include different perquisites for courses and more appropriate alignment of courses. The new program title, Electrical Engineering Technology is sequenced to allow students to complete the program in two years with 60 course credits. The new degree program will offer students options in Mechatronics and Communications, allowing students to specialize in areas that meet the needs of local industry.

Resources

The proposed modifications do not add additional costs to the execution of the program since all courses are pre-existing.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve this program modification. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

Program Modification

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the modification of a program – Advanced Manufacturing Machine Technology II (CIP Code: 48.0510, OHE # 01704) leading to a Certificate at Quinebaug Valley Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Modifications of a Certificate, Advanced Manufacturing Machine Technology II at Quinebaug Valley Community College

BACKGROUND

Summary

Upon the recommendations of the program's Advisory Board, curricular changes are proposed to: (1) re-align courses to facilitate improved delivery of content and student learning, and (2) better meet the needs of industry partner.

Resources

No additional resources are required to implement the proposed modifications.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve this program modification. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

New Program Approval

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the licensure and accreditation of a Basic Manufacturing: Machine Technology Level I program (CIP Code: 48.0510) leading to a Certificate, requiring 17 course credits delivered via an on ground modality, at Quinebaug Valley Community College.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Licensure and accreditation of a new Basic Manufacturing: Machine Technology Level I program leading to a Certificate at Quinebaug Valley Community College

BACKGROUND

Summary

Due to the absence of sustaining funds, the Windham Early College Opportunity program, (a CT-ECO dual enrollment initiative) cannot be continued. The proposed Certificate is designed to address the needs of both students at Windham High School and Electric Boat – the industry partner of Windham ECO.

Rationale

The proposed Certificate is based upon a previously terminated credential with minor revisions. This program will allow high school students the opportunity to concurrently complete the Certificate and their high school diploma; thus, acquiring the skills required by Electric Boat and other manufacturing firms.

Resources

Funds from the College and Career Pathways (CCP) program at QVCC will be utilized to cover the College's minimal costs to administer the program, as well as any required training and professional development of high school faculty teaching classes in the program. The existing lab and faculty at the high school has been deemed sufficient by the college to support the CCP classes to be offered there. The Windham school district has agreed to pay for the actual cost of instruction, in lieu of tuition, for the courses offer in the summer at the college. It is anticipated that 20 - 25 Windham High School student will enroll in the program each year.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve the establishment of this program. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

New Program Approval

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the licensure and accreditation of a Culinary Arts program (CIP Code: 12.0503) leading to aa Associate of Arts degree, requiring 63-64 course credits delivered via an on ground modality, at Gateway Community College.

_

Licensure and accreditation of a new Culinary Arts program leading to an Associate of Arts degree at Gateway Community College

BACKGROUND

Summary

The need for skilled chefs, line cooks and basic food preparers is growing throughout the nation. Interest in the field of Culinary Arts is growing among high school students in the greater New Haven area. There are eight high schools in the region offering robust and popular Culinary Arts classes. The institution currently partners with these secondary schools through a dual enrollment program whose advisory council has requested that Gateway establish a degree program due to the increased number of interested students. According to Bureau of Labor Statistics, the job outlook for this filed is projected to grow 10 percent through 2026. At a forum hosted by the local workforce development board, restaurant owners announced their numerous job openings and expressed an urgency to fill those needs in order to efficiently operate their businesses.

Rationale

The proposed degree program is designed to complement the institution's existing certificate program in Culinary Arts and Professional Baker. Of the 45 program core credits in the proposed curriculum, 39 are currently offered. The institution has 7,500 square feet of laboratory space with state-of-the-art equipment, three professional kitchens and an on-site restaurant – sufficient facilities for the proposed degree program. The proposed program replicates Manchester's plan of study which is accredited by the American Culinary Institute.

NOTE: The number of course credits required for the proposed program is based upon the accreditation guidelines of the American Culinary Institute; thus, exceeding the BOR's normalization policy of 60 course credits as an allowable exception.

Resources

Only two courses need to be developed, by existing faculty, to create the degree program. The addition of part-time faculty members would be the only incremental increase in expenditures. Projected revenue is expected to far exceed projected expenditures during each of the program's initial three years.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents approve the establishment of this program. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

RESOLUTION

concerning

Transfer and Articulation Policy Biochemistry Pathway

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approves the Transfer and Articulation Policy Pathway agreement in Biochemistry developed by discipline faculty from the 17 Connecticut State Universities and Colleges. The resolution includes approval of the CSCU Pathway Transfer A.A. Degree: Biochemistry Studies, CIP 26.0202. This pathway meets the specific requirements of the Board's Transfer and Articulation Policy for seamless and transparent transfer in this major for students from any of the Community Colleges to each of the State Universities and Charter Oak State College.

RESOLUTION

concerning

Transfer and Articulation Policy Geography Pathway

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approves the Transfer and Articulation Policy Pathway agreement in Geography developed by discipline faculty from the 17 Connecticut State Universities and Colleges. The resolution includes approval of the CSCU Pathway Transfer A.A. Degree: Geography Studies, CIP 45.0701. This pathway meets the specific requirements of the Board's Transfer and Articulation Policy for seamless and transparent transfer in this major for students from any of the Community Colleges to each of the State Universities and Charter Oak State College.

A True Copy:		

BOR Resolutions for

CSCU Pathway Transfer A.A. Degree: Biochemistry Studies, CIP 26.0202 CSCU Pathway Transfer A.A. Degree: Geography Studies, CIP 45.0701

Implementation of the Transfer and Articulation Policy Pathways between the twelve community colleges and the State Universities and Charter Oak State College for Biochemistry and Geography. These pathways meet the specific requirements of the Board's Transfer and Articulation Policy for seamless and transparent transfer in these majors for students from any of the Community Colleges to each of the State Universities and Charter Oak State College who offer the major.

BACKGROUND

In 2012, the state legislature passed a law (Public Act 12-31) requiring the Connecticut State Colleges and Universities (CSCU) to create seamless transfer pathways on a system level for students completing transfer degree programs at the community colleges and then transferring to a four-year institution. Public ACT 12-31 aligned with a transfer policy created by a system-wide advisory committee. In the summer of 2012, a steering committee comprising 17 faculty members—one from each CSCU institution—created a framework for a 30-31 credit competency-based general education core as part of 60-61 credit transfer pathways to be completed at the community colleges. This framework was voted on by all colleges and universities and approved by the BOR in fall 2012 for implementation in the system.

Workgroups comprising faculty members from each of the Connecticut State Colleges and Universities began meeting in the fall of 2012. In the fall of 2014 these work groups were reconvened and additional disciplinary work groups were created to develop pathways for students to transfer seamlessly from the community colleges to the State Universities and Charter Oak State College. Each pathway is developed by faculty in the discipline and then goes through a thorough review process, beginning with the Transfer and Articulation Framework Review and Implementation Committee (FIRC), itself comprising faculty representatives from each of the CSCU institutions and two advisors, one from a community college and one from a CSU or CO. After review by FIRC, each pathway proceeds through the governance process at each CSCU institution for a vote on endorsement. Institutions provide valuable feedback that is submitted to the TAP manager. If the manager, in consultation with the system Provost and the Framework and Implementation Review Committee, determines that the pathway meets the requirements of TAP and is supported by the majority of faculty across the system, the pathway is brought to the Academic and Student Affairs Committee of the Board of Regents for approval. If approved by the Academic and Student Affairs Committee, the pathway is then brought to the Board of Regents for full approval. Once a pathway is approved, it must, according to policy, be implemented at each community college that can offer it and be received at each four-year school that offers the degree program.

Each discipline-specific pathway offers students a clear pathway that will lead them to complete an associate degree in the discipline that is guaranteed to transfer to any of the State Universities and to Charter Oak State College and leave the student with only 60 credits to complete for the baccalaureate degree. Each pathway represents the collaboration and agreement of faculty from

each CSCU institution,

RATIONALE

In 2012 the Board of Regents approved the Transfer and Articulation Policy (TAP) which sets out to help students complete their post-secondary degrees as efficiently as possible. As part of the TAP policy, pathways are to be created that relate to specific majors offered at the state universities. In short, it establishes an expectation that students can begin their education at a community college, follow a defined pathway where all courses are applicable to the appropriate degree, then transfer to the state universities to complete their degree with no more than 120 total credits. The TAP policy creates a common general education core, common lower division premajor pathways and Junior status upon transfer. The pathways in Biochemistry and Geography join the existing transfer pathways and will be available for students to declare for the fall of 2019.

The endorsement vote for Geography was unanimous in favor.

The endorsement vote for Biochemistry included one vote against endorsement from HCC, but was based on a misreading of the pathway. HCC objected to requiring Calculus-Based Physics in the pathway on their understanding that only 1 of the 6 receiving programs require it. In fact, 4 of the 6 receiving programs require Calculus-Based Physics.

RESOLUTION

concerning

Program Accreditation

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education grant licensure and accreditation of a Doctorate of Nurse Anesthesia Practice program (CIP Code: 51.3804, OHE # 18266) leading to a DNAP degree, requiring 30-39 or 80-86 course credits delivered via an on ground modality, at Central Connecticut State University

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Licensure and accreditation of a Doctorate of Nurse Anesthesia Practice program leading to DNAP degree at Central Connecticut State University

BACKGROUND

Summary

The Doctorate of Nurse Anesthesia Practice program is a practice doctoral program with two specializations – Entry-Level and Advanced Specialization. After approval by the BOR on December 3, 2015, the specializations were initiated in May 2017 and August 2017, respectively.

Rationale

Licensure and accreditation of an academic program by the BOR is required prior to its granting credentials. It is anticipated that the first graduation of students in the Advanced Specialization will occur in May 2019, and of student in the Entry-Level specialization in May 2020. The Council on Accreditation of Nurse Anesthesia Educational Program granted its initial accreditation of the program in May 2017.

Resources

In Year 1 and Year 2, the actual program revenue exceeded projections by increasing margins with expenditures at approximately 1/3 of the actual revenue. The DNAP program is already profitable (\$363,132 in Year 1, \$632,362 in Year 2) and the institution expects that as a third cohort enrolls (both entry level and advanced), the program will generate approximately \$900,000 in revenue after expenditures.

RECOMMENDATION

Following its review and deliberative process, it is the recommendation of the Academic Council that the Board of Regents grant accreditation of this program. The System's Provost and Senior Vice President for Academic and Students Affairs concurs with this recommendation.

CT BOARD OF REGENTS FOR HIGHER EDUCATION

RESOLUTION

concerning

Approval of Nominations for Honorary Degrees

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education approve the nominees for an honorary degree, as presented below, according to the guidelines in the Board policies presently in effect granting honorary degrees to honor a person for unusual and exemplary accomplishments and to advance the work and reputation of the Connecticut State Colleges and Universities

Honorary Degree Nominations for 2019 Commencements

Institution	<u>Nominee</u>	Commencement
Capital Community College	Tracy L. Rich	May 23, 2019
Central Connecticut State University	Scott Pioli	May 18, 2019
Charter Oak State College	Yvette Meléndez	June 2, 2019
	Peter Reinhart	
Eastern Connecticut State University	Marilyn "Lynn" Malerba	May 21, 2019
Gateway Community College	William W. Ginsberg	May 23, 2019
Manchester Community College	Hans Weiss	May 29, 2019
Naugatuck Valley Community College	Aguibou Bougobali Sanou	May 23, 2019
Norwalk Community College	Tracy K. Smith	May 21, 2019
Three Rivers Community College	William Stanley	May 22, 2019
Tunxis Community College	Peter Spano	May 30, 2019
Southern Connecticut State University	Timothy P. Shriver	May 24, 2019
Western Connecticut State University	David Smith	May 19, 2019

A True Copy:

Erin A. Fitzgerald, Secretary of the CT Board of Regents for Higher Education

Approval of Nominations for Honorary Degrees

BACKGROUND

Granting of Honorary Degrees will be conferred at commencements. Identification of recipients is under the supervision of the presidents, with the approval of the Academic and Student Affairs Committee and the Board of Regents.

The university or college shall forward the name of a potential recipient with an explanation as to why the individual merits the honor, including a thorough discussion of the potential recipient's background and an assessment of the benefits and any possible concerns.

RATIONALE

The granting of honorary degrees to individuals who have made a significant contribution to society or to a university or college is a common practice in higher education. In the Connecticut State Colleges and Universities, the purpose of granting honorary degrees is to honor a person and to advance the work and reputation of the institution.

RECOMMENDATION

The nominations and accompanying documents for conferral of an honorary degree from the CSCU institutions are attached.

RESOLUTION

concerning

Acceptance of Selectees for Board of Regents Faculty Awards

March 28, 2019

RESOLVED: That the Board of Regents for Higher Education accepts the campus-based nominations for the Teaching Awards (CSU), Teaching Awards (CCC), Research Awards and the Scholarly Excellence Awards as the respective recipients of those awards for the 2018-19 academic year, and

That the Board of Regents for Higher Education accepts the recommendations of the respective selection committees for the Teaching Award (CSU), Teaching Award (CCC), Research Award, Scholarly Excellence Award and the Adjunct Faculty Teaching Awards as the respective recipients of the System Awards for the 2018-19 academic year.

Acceptance of the Board of Regents Faculty Awards

BACKGROUND

The Board of Regents Faculty Awards were established by a Board resolution on May 16, 2013. Five award categories, with potentially 38 individual awards of \$1,000 each, were established to recognize junior faculty members at CSCU institutions who distinguish themselves as outstanding teachers or those who are engaged in exceptional research/creative work. The 32 individual awards are the campus-based awards in the categories of Teaching Awards (CSU), Teaching Awards (CCC), Research Awards and the Scholarly Excellence Awards; and a single system award for each of those categories wherein an individual award recipient is deemed to be the system's best in exemplifying "high quality teaching" or "high-quality research/creative achievement." Additionally, there are two system awards selected from institutional nominations for the Adjunct Faculty Teaching Awards.

PROCESS

For the 2018-19 academic year, per the guidelines approved by the Board; the Connecticut State Colleges and Universities have submitted 21 of a possible 49 nominations within the five award categories, for the Board's consideration.

RECOMMENDATIONS

Subsequently, five selection committees, consisting of previous Faculty Awards recipients, have reviewed and assessed the nomination packages, and made their recommendations to the Board for the six System Awards. The Faculty Awards rosters are attached:

03/15/19 – BOR-Academic and Student Affairs Committee 03/28/19 – Board of Regents

BOARD OF REGENTS

FACULTY AWARDS

2018-19 Academic Year

In recognition of Assistant and Associate Professors in tenure-track or tenured positions and adjunct faculty members:

who have distinguished themselves as outstanding teachers and have established a track record of promoting instructional improvements for their departments; or

who are doing exceptional research, scholarly, and/or creative work

Three Rivers Community College	Yehven Rutovytskyy	Lecturer / Mathematics

BOARD OF REGENTS FACULTY AWARDS

Selection Committees

The members of the five Selection Committees reviewed and assessed the campus-based nomination packages which consisted of:

- 1) Cover Sheet
- 2) Letter of Nomination
- 3) Nominee's Reflective Statement
- 4) Letter of Support from one to three colleagues or students
- 5) Nominee's abbreviated curriculum vitae

Each nomination package was reviewed and assessed by a minimum of three committee members. The average total assessment points were used to determine the committee's recommendation to the Board of Regents for the respective System Award(s).

The members of the various Selection Committees were:

RESOLUTION

concerning

Recipient of the CSCU Shared Governance Award

March 28, 2019

- WHEREAS, Consonant with the mission, vision and goals of the CSCU System, the Board of Regents (BOR) and the Faculty Advisory Council (FAC) recognize the importance of administration, faculty, staff, and student cooperation in contributing to the advancement of shared governance in the CSCU institutions; and
- WHEREAS, Shared governance is defined as communication, collaboration, and mutual accountability between administration, faculty, staff, and students which advances excellence in the operation of CSCU institutions; and
- WHEREAS, CSCU establishes the Shared Governance Award as an annual recognition of an individual CSCU college or university, in the spirit of the 1966 Statement on Government of Colleges and Universities, jointly formulated by the American Association of University Professors, the American Council on Education, and the Association of Governing Boards of Universities and Colleges; therefore, be it
- RESOLVED, The 2018-19 CSCU Shared Governance Award is conferred upon Three Rivers Community College by the FAC and the BOR. Three Rivers has forged a new shared governance model that fosters "an environment of open discourse, transparency and reflection", as observed by President Mary Ellen Jukoski.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

CSCU Shared Governance Award

BACKGROUND

On April 7, 2016 the Board of Regents for Higher Education, in conjunction with the Faculty Advisory Committee established the CSCU Shared Governance Award to annually recognize a CSCU institution for its outstanding contribution to shared governance within CSCU.

Consonant with the mission, vision and goals of the CSCU System, the Board of Regents (BOR) and the Faculty Advisory Committee (FAC) recognize the importance of administration, faculty, staff, and student cooperation in contributing to the advancement of shared governance within the CSCU System and its individual institutions. Shared governance is defined as communication, collaboration, and mutual accountability between administration, faculty, staff and students which advance excellence in the operations of institutions of higher education and their governing bodies.

SELECTION PROCESS

The FAC and the BOR will jointly select one CSCU institution annually for the Shared Governance Award from the pool of applicants received during the academic year. Applications will be reviewed by a four-member Selection Committee consisting of current members of the FAC and the BOR. The awardee will be announced at the annual Faculty Advisory Committee Conference on Shared Governance and Student Success, usually scheduled for the spring semester.

RECOMMENDATION

The application process for the 2018-19 Shared Governance Award yields Three Rivers Community College as the recipient.

03/15/2019 – BOR Academic & Student Affairs Committee 03/28/2019 – Board of Regents

CT BOARD OF REGENTS FOR HIGHER EDUCATION

RESOLUTION

concerning

Connecticut State Universities' Recommended Promotion and Tenure

March 28, 2019

RESOLVED: That the Connecticut Board of Regents for Higher Education approve tenure for and promotion of Afarin Rahmanifar to Associate Professor at Eastern Connecticut State University retroactively to the beginning of the 2019 Spring semester.

A True Copy:	
Erin A. Fitzgerald, Secretary of the	
CT Board of Regents for Higher Education	

CSU institutional recommendations for promotion and/or tenure

BACKGROUND

Pursuant to the Collective Bargaining Agreement between the Connecticut State Universities American Association and the Connecticut Board of Regents for Higher Education; Article 4.11.14, each CSU provost, in consultation with the president, shall make recommendations for promotion and tenure to the Board.

Professor Afarin Rahmanifar was initially hired at Eastern Connecticut State University in January 2014; thus, she does not fall within the more typical tenure and promotion cycle of August hires. Due to an administrative oversight, her recommendation for promotion and tenure by Eastern's president was not submitted to the Board in January 2019.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents approve the retroactive granting of promotion and tenure to the following faculty member:

Eastern Connecticut State University – Afarin Rahmanifar

03/15/19 – Academic and Student Affairs Committee 03/28/19 – Board of Regents

EASTERN CONNECTICUT STATE UNIVERSITY A Liberal Education. Practically Applied.

Office of the President

February 1, 2019

Mr. Mark Ojakian President, Board of Regents for Higher Education Connecticut State Colleges and Universities 61 Woodland Street Hartford, CT 06105-2237

Dear Mr. Ojakian:

The following are my recommendations for Promotion and Tenure, for a candidate reviewed in Fall 2018.

TENURE

Ms. Afarin Rahmanifar (Art and Art History)

PROMOTION

For Promotion to the rank of Associate Professor:

Ms. Afarin Rahmanifar (Art and Art History)

Please let me know if you have any questions.

Sincerely,

Dr. Elsa Núñez

President

Cc: W. Salka, Interim Provost and Vice President for Academic Affairs

EMN/hjr

CT BOARD OF REGENTS FOR HIGHER EDUCATION

RESOLUTION

concerning

Advanced Placement Credit and Placement Policy

March 28, 2019

- WHEREAS, The Connecticut Association of Public School Superintendents (CAPSS) has formally requested that the Connecticut State Colleges and Universities System enact a policy that ensures that high school students uniformly receive credit for Advanced Placement (AP) Examination scores of 3, 4, and 5 at each of the system's institutions establish; thus, saving them time and money in their pursuit of higher education, and
- WHEREAS, CAPSS notes that Connecticut is among a minority of states that does not have a uniform AP credit policy establishing 3 as the credit-bearing score at public universities, and
- WHEREAS, Research has demonstrated that The College Board's AP courses prepare high school students for success in postsecondary education and afford them opportunities to earn college credit, and
- WHEREAS, Research has demonstrated that AP students who earn an examination score of 3 and higher generally perform as well or better in subsequent course work as compared to non-AP college students who completed the introductory course at a college or university; therefore, be it
- RESOLVED: That the Board of Regents for Higher Education adopts an Advanced Placement Credit and Placement Policy, delineated in the attached Statement of Policy.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Adoption of proposed Advanced Placement Credit and Placement Policy

BACKGROUND

The Advanced Placement program was designed to provide students a means to earn college credit and/or advance placement for learning college-level material in high school. The exam-based structure of AP is a mechanism wherein students engage in accelerated learning, demonstrate proficiency of the learning through a standardized examination, and bypass previously mastered material once in college.

AP qualifying scores have come to serve as indicators of college readiness and predicators of college success in the college admission criteria. AP participation is increasingly being used by selective colleges for screening highly motivated and able students in their admission process.

The Connecticut Association of Public School Superintendents (CAPSS) has respectfully requested that the CSCU System enact a policy ensuring that high school students uniformly receive course credits at all CSCU colleges and universities. CAPSS notes in its request that Connecticut students consistently rank among the leaders in AP participation rates and performance levels. In addition to saving student time and money, CAPSS postulates that such a policy would help keep AP students in the state.

The Connecticut School Counselor Association (CSCA) has respectfully seconded the request from CAPSS. CSCA adds that its membership of high school counselors across the state are encouraging students to challenge themselves with college-level coursework while in high school by taking advantage of dual enrollment and Advanced Placement classes.

The College Board and independent researchers have demonstrated that high AP scores are strongly associated with college access and degree attainment.

RATIONALE

Uniformity in the awarding of AP credits and placements is a desirable trait in communications for students matriculating at and moving across CSCU institutions. Moreover, the proposed policy requires CSCU institutions to present clear policies and procedures regarding AP credits and placements in communications regarding admission and transfer; thus, informing prospective students and their families of academic and cost-benefits

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents adopts the proposed Advanced Placement Credit and Placement Policy, in partnership with CAPSS and CSCA.

03/15/2019 – BOR Academic & Student Affairs Committee 03/28/2019 – Board of Regents

CONNECTICUT BOARD OF REGENTS FOR HIGHER EDUCATION

Advanced Placement Credit and Placement Policy

The purpose of this Policy is to establish uniformity among the Connecticut State Colleges and Universities (CSCU) regarding the awarding of course credits and course placements pursuant to student applicants' scores on Advanced Placement (AP) examinations. AP policies shall be evidenced-based and appropriate for the institution and its students.

A clear and consistent AP credit and placement policy:

- Ensures that prospective students and families know which institutions recognize AP
 achievement and award course equivalent college credit and advanced placement based
 on qualifying scores;
- Allows for the optimal application of qualifying AP scores for credit toward meeting general education requirements;
- Improves seamless course articulation and transfer, credit portability, and degree completion rates;
- Reduces the duplication and accumulation of excess credit hours, minimizing economic burdens for students and families, and improves enrollment efficiency for higher education systems.¹

To align with state and national standards, the Connecticut Board of Regents for Higher Education mandates that all CSCU institutions shall grant academic credits to any student earning a score of 3 and higher on any AP examination. The institutions, in consultation with faculty in the discipline corresponding to the individual AP exams, shall determine how those credits are applied to the degree.

Students transferring from a CSCU community college to a CSCU university or Charter Oak State College or transferring between two-year colleges or between four-year institutions within CSCU with AP scores of 3 and higher shall be considered for the awarding of course credits and/or placement at any CSCU institution.

The CSCU institutions can award credits as the equivalent of a specific course, as fulfilling a general education category or as elective credits. Faculty, or the appropriate academic department, shall award the credit differently based upon the score earned on the exam. For example, a student earning a grade of 5 on a modern language exam may be awarded credit for an advanced level course; a student earning a 4 may earn credit for an intermediate level course and a student earning a 3 may earn credit for an elementary level language course or an elective. Specific determinations of how credits are awarded are entirely within the institution's purview. Following campus governance procedures, institutions should examine all AP courses and determine the appropriate course equivalencies for scores of 3 and above.

Accordingly, CSCU institutions are required to present clear policies and procedures regarding AP credits and placements on their websites and in admissions and transfer literature. These communications should be easily accessible by prospective students and interested others.

The Board recognizes that honoring AP courses that students take in high school and awarding college course credits through these examinations advances their preparedness for college success and impacts positively upon the affordability of attending college.

The Policy is adopted in partnership with the Connecticut Association of Public School Superintendents for its recognition that the CSCU System is enacting an AP Credit and Placement Policy that helps to "keep AP students in the state" and supports "their momentum for persistence and retention."²

CT BOARD OF REGENTS FOR HIGHER EDUCATION

RESOLUTION

concerning

CSCU Community College Areas of Study

January 25, 2019

RESOLVED: That the Board of Regents for Higher Education directs the CSCU System Office, through the leadership of the CSCU Provost and Senior Vice President for Academic and Student Affairs, to develop, implement, and maintain a set of metamajors, to be known as Areas of Study, consistent with Guided Pathways practices for the CSCU community college, to be established. The Areas of Study will provide an organizational framework for all academic programs and provide students with clear paths to graduation.

The CSCU Areas of Study are established to support ongoing efforts to improve student success at the CSCU community colleges and in the CSCU system. The Areas of Study will cluster existing degree programs under larger thematic umbrellas into sets of related areas of study. This does not change the overall number of programs offered, but it does simplify the way in which program options are presented to students to afford a more informed decision-making process.

The six CSCU Areas of Study are as follows:

- Social and Behavioral Sciences, Education, and Public Service
- STEM (Science, Technology, Engineering, and Math)
- Manufacturing, Industry, and Technical Careers
- Health Careers
- Humanities and Creative Arts
- Business & Hospitality

Programs established for the singly accredited CT community college will exist within one of these six CSCU Areas of Study. Program establishment within a particular Area of Study will be part of the program approval process.

The CSCU System Office, through the leadership of the CSCU Provost and Senior Vice President for Academic and Student Affairs, will maintain this system of Areas of Study as well as ensure the consistency of their application and use.

A True Copy:
Erin A. Fitzgerald, Secretary of the
CT Board of Regents for Higher Education

Proposal to establish a limited number of Areas of Study for the singly accredited CT community college. The Areas of Study provide an organizational framework for all academic programs and aid in student decision-making.

RECOMMENDED MOTION FOR FULL BOARD

RESOLVED: That the Board of Regents for Higher Education directs the CSCU System Office, through the leadership of the CSCU Provost and Senior Vice President for Academic and Student Affairs, to develop, implement, and maintain a set of meta-majors, to be known as Areas of Study, consistent with Guided Pathways practices for the future singly accredited CT community college. The Areas of Study will provide an organizational framework for all academic programs and aid in student decision-making.

BACKGROUND

What are Meta-Majors?

Meta-majors are collections of academic degree programs that have related courses and career goals and share common foundational skills (Waugh, 2016). For example, a "health careers" meta-major might include a number of different specific degree programs, such as exercise science, occupational therapy assistant, radiography, respiratory care, surgical technology, nursing, etc. Meta-majors organize existing degree programs into smaller sets of related areas of study. Implementing meta-majors does not change the overall number of programs offered, but it does simplify the way in which program options are presented to students to afford a less anxiety-provoking and more informed decision-making process. For example, instead of trying to select a major from a list of over 100 possible options, students select a broad area of study from among five to eight options. While more options may intuitively seem better, research suggests that too many options results in decision paralysis and impairs effective decision-making (Kahneman, 2011; Schwartz, 2004). The overwhelming number of CT community college students who enroll in General Studies degree programs across the twelve colleges suggests that this may indeed be the case.

Why Meta-Majors?

The rationale for meta-majors is convincingly summarized by Waugh (2016):

"We know that the completion statistics for low-income and underprepared students enrolled in certificate and degree programs at community colleges are dismal. A growing body of evidence reveals that a central factor in these low completion rates is the 'cafeteria' style approach to college, which provides entering students with a dizzying array of choices and little guidance on navigating those choices. Recent brain science research demonstrates that people feel anxiety and irritation when faced with too many choices and, as a result, are more likely to make poor choices or avoid the situation entirely. A poor decision on which classes to take can cost community college students a significant amount of time and potentially mean the difference

between earning a credential or degree and stopping or dropping out... A key design principle of Guided Pathways is that academic programs of study be structured to provide students with guidance and clear routes to completion. Guided pathways aim to reduce student meandering caused by an overwhelming array of course options, unclear program requirements and a lack of guidance. Meta-majors provide this structure from a student's entry to college all the way through completion."

Evidence suggests that entering a specific program of study within a year of enrollment is critical to successful completion (Jenkins & Cho, 2012). Meta-majors can thus be particularly beneficial for students who are undecided about their educational and career goals at the time of entry into college, which can be as high as 65% to 70% of all entering students (Albion & Fogarty, 2002). Meta-majors provide an easy-to-understand entry point to the diverse program offerings at our colleges and help students begin to narrow their interests early in their academic journey. Students enter an area of study and complete coursework in this interest area before deciding on a more specific major or program of study. Of course, students who enter the college already having decided on their degree program are still able to choose that major rather than first designating a meta-major.

The benefits of the meta-major framework extend beyond helping students select a course of study. General education and foundational skill courses can be aligned to the different needs within different meta-majors. For example, math requirements may vary by area of study from those requiring statistics (e.g., Behavioral Sciences) to those needing an algebra or calculus sequence (e.g., STEM). Default pathways within each area of study identify the math, and other general education requirements and recommendations, for students up-front. Because academic programs within an Area of Study share similar courses and foundational skills, meta-majors provide a means to ensure that students register for relevant courses within coherent degree programs. This, in turn, means that students can explore multiple transfer and career options within an area of study while maintaining momentum toward completion and increases the likelihood that students will earn a meaningful credential and/or transfer in a timely fashion.

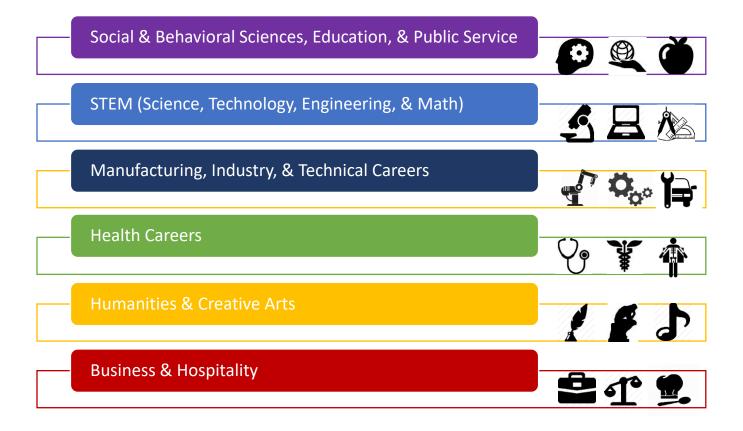

Meta-majors create cohorts of students with related interests, foster early connections between students and faculty experts within an area of study, and allow co-curricular programming (i.e., experiences and activities outside the classroom that support and reinforce class content) matched to student interests. These are all highly effective ways of increasing student engagement. "The research findings are unequivocal. Student learning, persistence, and attainment in college are strongly associated with student engagement. The more actively engaged students are – with college faculty and staff, with other students, with the subject matter they are studying – the more likely they are to persist in their college studies and to achieve at higher levels." (Center for Community College Student Engagement, 2018)

How were the Areas of Study determined?

The Guided Pathways Choice Architecture team was established in Spring 2018 and charged with making recommendations concerning a number of academic components of implementing Guided Pathways reforms in the CT community colleges, including identifying possible metamajors.

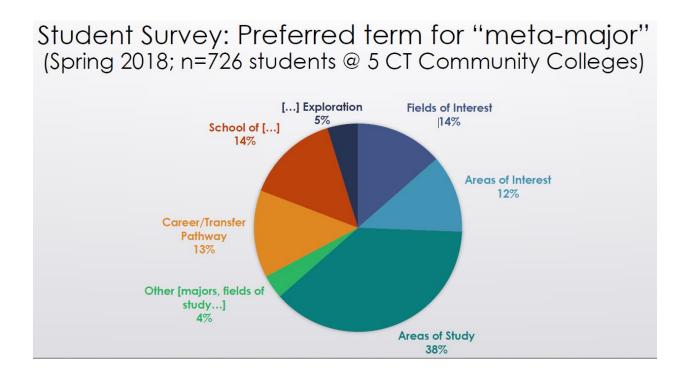

The team includes faculty, staff, and administrators from all twelve community colleges, Charter Oak State College, and the CSU's. Student representatives from SAC also participate in team meetings. Team members represent a wide array of academic disciplines, career programs, governance committees, support services, and functional areas. Past and current team members, including Guided Pathways managers: Rebecca Adams (HCC), Shirley Adams (COSC), Gayle Barrett (MxCC), Kevin Bechard (MCC), Vicki Bozzuto (GCC), Sara (Brinckerhoff) Hanson (MxCC), Mike Buccilli (GCC), Jeff Buskey (ECSU), Jodi Calvert (TRCC), Michelle Coach (ACC), Tamika Davis (TxCC), Joe DeFeo (NVCC), Amy Feest (TxCC), David Ferreira (NCCC), Teresa Foley (ACC), Andre Freeman (CCC), Dan Fuller (GCC), Forrest Helvie (NCC), Debbie Herman (MCC), Mary Ellen Jukowski (TRCC), Amy Kacerik (QVCC), Bev King (NCCC), Laura McCarthy (NCCC), Steve McDowell (SO), Chris Paulin (MCC), Phyllis Perry (SO), Ron Picard (NVCC), Oscar Rivera (SO), Francine Rosselli-Navarra (MCC), Christine Ruggiero (MxCC), Sarah Selke (TRCC), Amanda Sweeney (GCC), Sally Terrell (TxCC), Nora Uricchio (MCC), Emily Verdosci (NVCC, student), Heather Vogt (QVCC, student), and Heidi Zenie (TRCC).

Based on a review of meta-majors implemented at Guided Pathways colleges across the country, the team brainstormed a list of possible meta-majors. Team members brought this list back to their campuses for feedback and the list was refined through discussion of this feedback. The team recommends the following six Areas of Study (note: the icons below are for illustrative purposes only).

From Meta-Majors to Areas of Study.

Feedback from students, faculty, and staff indicated that the term "meta-major" is not intuitively appealing or understandable. In the Spring of 2018, faculty and staff members from the Guided Pathways Choice Architecture team surveyed students to determine their preferred term for the meta-major construct. The survey included the following alternatives to the term meta-major: (1) areas of study, (2) areas of interest, (3) fields of interest, (4) transfer and career pathways, (5) school of [health, business, science, etc.], (6) [health, business, science, etc.] exploration, and (7) a write-in option. As evident in the figure below, "Areas of Study" emerged as the preferred option.

Mapping Degree Programs into Areas of Study.

The placement of specific academic programs within each Area of Study involves both theoretical judgments of "best fit" (e.g., an accounting program intuitively appears to fit best within a "Business" Area of Study whereas a music program appears best suited in the "Humanities and Creative Arts" Area of Study) as well as empirical validation that the proposed programs within an Area of Study have some overlap in course-work and career trajectories. Ideally, programs within a single Area of Study should have a similar first semester sequence of courses that includes at least one introductory level content course within that interest area as well as English and math courses aligned to the Area of Study. Mapping programs to Areas of Study is an iterative process that requires collaboration between program faculty and academic administrators. Facilitation and oversight of the process will initially be provided by Guided Pathways leadership and the Choice Architecture team. Following consolidation, changes to the

Areas of Study or programs within an Area of Study will adhere to governance processes established through the consolidation process.

Areas of Study as part of Guided Pathways reforms

Consistent with the revised CSCU Students First initiative approved by the Board of Regents on June 18, 2018, implementing Areas of Study is just one in a series of Guided Pathways initiatives designed to improve student success and increase student retention and completion. Guided Pathways design principles recommend that students select an academic and career pathway as early as possible. The Areas of Study are just one way in which Guided Pathways reforms will aid students in this early decision making. A newly re-imagined onboarding process offers the students a streamlined approach to entering the community college system. This on-boarding process will support student career exploration and decision making though the use of interest inventories which, upon completion, will suggest meta-majors for further career exploration. In addition, the newly developed College and Career Success course has been intentionally designed to create a space where students can engage in meaningful career exploration and planning. With faculty guidance, the student will create a comprehensive academic plan and will learn how to evaluate their plan and modify as needed. The College and Career Success course is a vehicle that helps students choose a path and provides the tools students need to stay on a path.

RECOMMENDATION

It is the recommendation of the System's Provost and Senior Vice President for Academic and Students Affairs that the Board of Regents give favorable consideration to the establishment of the proposed Areas of Study.

Reallocation of CSCU 2020 Funding for the Barnard Hall Renovation and Addition Project at Central Connecticut State University

BACKGROUND

Legislation allows the Board of Regents (BOR) to reallocate uncommitted CSCU 2020 project funds to other CSCU 2020 named projects or programs, provided the project total cost is not increased or decreased by 5% or more when a project's total cost is valued at \$1,000,000 or more. Construction bids for Central's Barnard Hall Renovation and Addition Project have been received. The total project estimated cost exceeds the CSCU 2020 listed budget by less than 5%. Central requests 2020 funds from other completed CCSU projects be reallocated to alleviate the Barnard Hall Renovation and Addition Project funding shortfall.

ANALYSIS

In 2014, in lieu of completing major modifications to Burritt Library, the BOR approved a request to redistribute Burritt project funds to complete a number of other higher priority improvements at Central. One of those priorities is renovations and additions to Barnard Hall, which have been budgeted at \$22,000,000.

Barnard Hall was constructed in 1953 as a four-story 78,443 gross square foot academic building. The facility currently houses the College of Education, the Nursing program and the Information Technology Department. Other than a sloped copper roof that was installed in 2014, and minor cosmetic enhancements, no significant improvements have occurred to this facility. A design for renovations and a 20,000 square foot addition to this facility is complete. Through the design phase, adherence to the budget proved challenging. The project initially bid for construction in December, while construction bids indicated the design was over-budget. A value engineering exercise was recently completed and many of the subcontractor trades were re-bid in an effort to reduce the overall project costs below 5% of the listed budget. The scope of work remains as major improvements and an addition to Barnard Hall. The re-bid, revised total project cost of \$23,099,000 is just below 5% of the BOR's approval threshold.

CCSU requests the BOR approve reallocation of \$1,099,000 to the Barnard Hall Renovation and Additions Project from the following projects:

- 1. \$ 243,842.89 from FY 2009 of the Maintenance Bay Salt Shed project
- 2. \$ 435,887.23 from FY 2011 of the Classroom/Office Building project
- 3. \$ 130,421.00 from FY 2013 remaining Code Compliance/ Infrastructure Improvement Program balance
- 4. \$ 11,623.74 from FY 2015 remaining Code Compliance Infrastructure Improvement Program remaining balance
- 5. \$ 277,225.14 from FY 2016 remaining Code Compliance Infrastructure Improvement Program
 - \$ 1,099,000.00 Total funding reallocation

STAFF REPORT

FINANCE & INFRASTRUCTURE COMMITTEE

In accordance with State statute (CGS Sec. 10a-91d(c)), these funding reallocations do not increase or decrease CSCU 2020 project or program totals by 5% or more and do not require legislative authorization.

PRESIDENT'S RECOMMENDATION

Approve the reallocation of \$1,099,000 to Central's Barnard Hall Renovation and Addition Project from the following projects: \$243,842.89 - FY 2009 Maintenance Bay Salt Shed; \$435,887.23 - FY 2011 Classroom/Office Building; \$130,421.00 - FY 2015 Code Compliance Infrastructure Improvement Program; \$11,623.74 - FY 2015 Code Compliance Infrastructure Improvement Program and \$277,225.14 - FY 2016 Code Compliance Infrastructure Improvement Program.

3/13/19 Finance & Infrastructure Committee 3/28/19 Board of Regents

RESOLUTION

concerning

REALLOCATION OF CSUS 2020 FUNDING FOR

EASTERN, SOUTHERN & WESTERN CONNECTICUT STATE UNIVERSITIES

March 28, 2019

WHEREAS,	Pursuant to CGS 10a-91d (c), the Board of Regents must approve
	reallocation of CSCU 2020 program funds at the completion of a
	project to other CSCU 2020 named projects and programs; and

- WHEREAS, Seven named "line item" projects that were funded from FY 2009 through FY 2016 as part of the CSCU 2020 Program are complete; and
- WHEREAS, \$418,842.22 of uncommitted funding for seven projects will be reallocated to their respective University Code Compliance/ Infrastructure Improvement programs; and
- WHEREAS, The seven projects and reallocated funding are listed below:
 - 1. FY 2009 Eastern's Outdoor Track, \$137,491.44
 - 2. FY 2013 Southern's Reno. to Buley Library, \$3,509.85
 - 3. FY 2009 & FY 2015 Southern's Academic Lab. Building, \$159,178.31
 - 4. FY 2011 Eastern's Athletic Support Center, \$1,568.93
 - 5. FY 2011 Eastern's New Warehouse, \$30,276.60
 - 6. FY 2014 Eastern's Fine Arts Performance Center, \$35,109.34
 - 7. FY 2016 Western's Fine Arts Performance Center, \$51,707.75; therefore, be it
- RESOLVED, \$418,842.22 of uncommitted funds from completed CSCU 2020 projects will be reallocated to their respective University Code Compliance/ Infrastructure Improvement programs.

A True Copy:	
Erin A. Fitzger	ald, Board Secretary
Board of Reger	nts for Higher Education

Reprogramming of CSCU 2020 Funding for Eastern, Southern and Western Connecticut State Universities.

BACKGROUND

From FY 2009 through FY 2016, a number of named capital projects were listed in CSCU 2020 legislation for funding design, construction and equipment at Eastern, Southern and Western Connecticut State Universities. Final completion has occurred for seven of the named projects. We are requesting the reallocation of remaining uncommitted project funds to other CSCU 2020 programs.

General Statute Sec. 10a-91d(c) requires a formal vote of the Board of Regents (BOR) for any line item revision within CSCU 2020. The statute further states that project cost revision(s) equal to or greater than 5% of the total, if the project is greater than \$1 million, also require "a request by the BOR for, and enactment of, a subsequent public or special act approving" the revision "or such revision is due to the use of funds remaining from a completed project than such revision conditioned only such formal approval of the Board of Regents." All referenced projects are complete and remaining project funds can be relocated solely through BOR approval.

ANALYSIS

Seven named "line item" projects that were funded from FY 2009 through FY 2016 as part of the CSCU 2020 Program are complete. The CSCU 2020 budget for these projects is \$267,549,817 of which \$418,842.22 remains uncommitted. A detailed project list below displays funding years, project location, project name, approved budget and remaining funds for reallocation.

Funding Year(s) Campus		Project		CSCU 2020 Project Budget		Funding Reallocations	
FY 2009	Eastern	Outdoor Track - Phase II	\$	1,816,000	\$	137,491.44	
FY 2009 & FY 2013	Southern	Renovations to Buley Library	\$	17,436,817	\$	3,509.85	
FY 2009 & FY 2015	Southern	New Academic Laboratory Building	\$	72,115,000	\$	159,178.31	
FY 2011	Eastern	Athletic Support Building	\$	1,921,000	\$	1,568.93	
FY 2011	Eastern	New Warehouse	\$	2,269,000	\$	30,276.60	
FY 2011 & FY 2014	Eastern	Fine Arts Instructional Center	\$	87,671,000	\$	35,109.34	
FY 2012, FY 2014 & FY 2016	Western	Fine Arts Instructional Center	\$	84,321,000	\$	51,707.75	
Totals			\$	267,549,817	\$	418,842.22	

Eastern, Southern and Western request their remaining uncommitted funds for each project, as listed in the above "Funding Reallocations" column, be reallocated from the university project to their Code Compliance/ Infrastructure Improvement program within the same funding year of each project.

STAFF REPORT

FINANCE & INFRASTRUCTURE COMMITTEE

RECOMMENDATION

Approve the reallocation of \$418,842.22 in uncommitted CSCU 2020 project funds listed below to the University Code Compliance/Infrastructure Improvement Program in the corresponding funding years.

- 1. FY 2009 Eastern's Outdoor Track Phase II, \$137,491.44
- 2. FY 2009 & FY 2013 Southern's renovations to Buley Library, \$3,509.85
- 3. FY 2009 & FY 2015 Southern's New Academic Laboratory Building, \$159,178.31
- 4. FY 2011 Eastern's Athletic Support Center, \$1,568.93
- 5. FY 2011 Eastern's New Warehouse, \$30,276.60
- 6. FY 2011 & FY 2014 Eastern's Fine Arts Instructional Center, \$35,109.34
- 7. FY 2012, FY 2014 & FY 2016 Western's Fine Arts Instructional Center, \$51,707.75

3/13/19 Finance & Infrastructure Committee 3/28/19 Board of Regents

RESOLUTION

concerning

A LEASE AGREEMENT BETWEEN GATEWAY COMMUNITY COLLEGE, NORTH HAVEN CAMPUS and THE AREA COOPERATIVE EDUCATIONAL SERVICES (ACES) March 28, 2019

WHEREAS,	Section 4b-38 of the Connecticut General Statutes provides that the Board of Regents for the Connecticut State Colleges and Universities (CSCU) "may lease land or buildings, or both, and facilities under the control and supervision of such board when such land, buildings or facilities are otherwise not used or needed for use by the constituent unit and such action seems desirable to produce income or is otherwise in the public interest, provided the treasurer has determined that such action will not affect the status of any tax-exempt obligations issued or to be issued by the State of Connecticut"; and			
WHEREAS,	Gateway Community College wishes to lease approximately 100,000 gross square feet on the first and second floor of the North Haven Campus to ACES for ACES's Wintergreen School relocation; and			
WHEREAS,	The lease will be for five years and may be renewed for an additional period not to exceed a total term of ten years; and			
WHEREAS,	Gateway will provide centrally-generated and public utilities, site improvements, technology and exterior building care and maintenance; and			
WHEREAS,	ACES will assume cleaning, security, interior maintenance, any required tenant improvements, code conformance and other operating requirements of their first and second floor space; and			
WHEREAS,	The lease amount will be \$350,000 annually with ACES to bear the cost of utility cost increases, if any, therefore be it			
RESOLVED,	Gateway Community College is authorized to enter into a Lease Agreement with ACES for use of the first and second floor space at Gateway's North Haven Campus.			
A True Copy:				

Erin A. Fitzgerald, Board Secretary Board of Regents for Higher Education

Approval to enter into a Lease Agreement with ACES at Gateway Community College, North Haven Campus.

BACKGROUND

ACES is one of six Regional Educational Service Centers in Connecticut. Their mission is to work with their member districts in order to promote and improve the quality of education for all of their participants. The Town of Hamden is not renewing the lease on one of ACES's nine schools, Wintergreen School in Hamden (K-9), beyond May, 2019. Gateway Community College would like to lease approximately 100,000 vacant square feet to ACES for ACES's Wintergreen academic program relocation.

ANALYSIS

General Statute 10-66 a-I (1972), established Regional Educational Service Centers (RESC) for the purpose of a cooperative action to furnish educational programs and services as a public education authority on behalf of Connecticut. Requirements for establishing a RESC include a plan of organization and operation created by no less than four regional Boards of Education who will participate in the school, in addition to approval of the State Board of Education. Funding for a RESC is provided from a combination of State and participating district funds. The RESC's Board is considered an agent of the state and is approved to sell bonds, take loans, enter into contracts and purchase and sell real property. Six RESCs currently recognized by the State Board of Education include the Area Cooperative Education Services (ACES), Cooperative Educational Services (CES), CREC, EastConn, Ed Advance and LEARN.

ACES was established in North Haven in 1969, recognized by legislation in 1972 as a RESC, and has since grown to provide supplemental educational services for twenty-five school districts in south central CT. The partnering school districts are Ansonia, Bethany, Branford, Cheshire, Derby, East Haven, Hamden, Meriden, Middletown, Milford, Naugatuck, New Haven, North Branford, North Haven, Orange, Oxford, Seymour, Wallingford, Waterbury, West Haven, Wolcott, Woodbridge, Regional District #5 (Bethany, Orange, Woodbridge), Regional District #13 (Durham, Middlefield) and Regional District #16 (Beacon Falls, Prospect). ACES programs involve more than 980 skilled staff members across 19 facilities. For school based services, ACES manages nine collaborative schools serving students from kindergarten through twelfth grade.

For over the past 20-years, ACES has operated a kindergarten through eighth grade program at the Wintergreen Interdistrict Magnet School, a facility leased from the Town of Hamden. The school serves over 600 students from partner districts of Hamden, Meriden, New Haven, Wallingford and Woodbridge. Wintergreen's enrichment curriculum includes; One-on-one technology integration with iPads and Chromebooks available to all students, integration opportunities with fine and performing arts, group organizations including student

government, enriching field trips and student athletics. The Town of Hamden has indicated to ACES that it will require future use of the Wintergreen facility, thus the lease will not be renewed beyond May, 2019. To date, the Wintergreen program has not been able to settle on an acceptable new location.

Gateway Community College's North Haven Campus has a total of 165,000 gross square feet, of which 65,000 square feet of lower level space is occupied by Gateway's automotive program. Portions of the remaining 100,000 first and second floor square feet were previously leased by New Haven for the Hyde School and are currently vacant. Gateway would like to lease the available first and second floor spaces to ACES for their Wintergreen academic program. The lease base term will be for five years with an ability to renew the contract for a total of up to ten years. The ACES lease amount will fund centrally-generated utilities, public utilities, site improvements, technology and exterior building care and maintenance. ACES will assume all cleaning, security, interior maintenance, any required tenant improvements, code conformance and other operating requirements of their first and second floor space. Gateway spends approximately \$900,000 in annual operating expenses for North Haven. ACES will be charged an annual lease amount of \$350,000. Lease amount adjustments may be made, as necessitated, consistent with energy cost increases. Although ACES will occupy 60% of the building, the lease will be prorated when ACES assumes maintenance and/or replacement of the older building infrastructure which supports their space. The North Haven Campus athletic fields are under control of the Town of North Haven. ACES will work directly with North Haven for use of the fields.

Section 4b-38 of the Connecticut General Statutes provides that the Board of Regents for the Connecticut State Colleges and Universities (CSCU) "may lease land or buildings, or both, and facilities under the control and supervision of such board when such land, buildings or facilities are otherwise not used or needed for use by the constituent unit and such action seems desirable to produce income or is otherwise in the public interest, provided the treasurer has determined that such action will not affect the status of any tax-exempt obligations issued or to be issued by the State of Connecticut.

RECOMMENDATION

Approve the lease of approximately 100,000 vacant square feet at Gateway Community College to ACES for relocation of their Wintergreen academic program, in an annual lease amount of \$350,000, for a five-year period with extensions not to exceed a total lease period of ten years.

3/13/19 Finance & Infrastructure Committee 3/28/19 Board of Regents

CT BOARD OF REGENTS FOR HIGHER EDUCATION RESOLUTION

concerning

AUTHORIZATION TO ISSUE BONDS THROUGH

THE STATE OF CONNECTICUT HEALTH AND EDUCATIONAL FACILITIES
AUTHORITY IN AN AMOUNT NOT TO EXCEED \$85.5 MILLION
FOR THE PURPOSE OF FINANCING IN ONE OR MORE SERIES
VARIOUS ADDITIONS AND IMPROVEMENTS TO RESIDENTIAL AND OTHER
FACILITIES OF THE CONNECTICUT STATE UNIVERSITY SYSTEM AND RELATED
EXPENSES AND FINANCING COSTS, AUTHORIZATION TO PLEDGE CERTAIN
REVENUES AND THE ENTRY INTO VARIOUS AGREEMENTS WITH THE CONNECTICUT
HEALTH AND EDUCATIONAL FACILITIES AUTHORITY TO SECURE SUCH LOANS AND
THE BONDS

March 28, 2019

WHEREAS, The Board of Regents for Higher Education for the Connecticut State Colleges and Universities (CSCU) has requested and may request in the future that the State of Connecticut Health and Educational Facilities Authority (CHEFA) issue its revenue bonds pursuant to the provisions of the State of Connecticut Health and Educational Facilities Authority Act, being Chapter 187 and Sections 10a-87 through 10a-101 of the General Statutes of Connecticut, as amended, to finance in one or more series all or a portion of the cost of (i) various additions and improvements to residential and other facilities at the four State Universities and related expenses; (ii) to fund the State Capital Reserve Fund in an amount equal to the State Capital Reserve Fund requirement; and (iii) any other financing costs associated with the capital program (see *Exhibit B Series Q-1*); and

WHEREAS, CHEFA will submit to CSCU for approval and execution in the name of and on behalf of CSCU, various agreements, contracts, and other instruments, which may include, without limitation, loan agreements, pursuant to which CSCU will be obligated to make payments of the principal of, premium, if any, and interest on CHEFA's revenue bonds, and will secure its repayment obligations by pledges of revenues of the University Fee, and all or part of revenues from Student Parking Fees at Southern Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University and from Housing Fees at Southern Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University as are necessary to secure the bonds, and certain other charges of CSCU; tax compliance agreements pertaining to certain representations and agreements of CSCU to preserve the tax exemption on CHEFA's revenue bonds; representation and indemnity agreements, pursuant to which CSCU will make various representations and indemnifications in connection with the sale and issuance of CHEFA's revenue bonds; continuing disclosure agreements, pursuant to which CSCU will agree to provide financial statements and other operating data to the secondary bond market; environmental indemnity agreements, pursuant to which CSCU will make various representations and indemnifications concerning environmental and related matters; official statements pursuant to which CHEFA's revenue bonds will be sold, and other

documents and agreements requested by CHEFA which are necessary or appropriate to effectuate the financing of the capital program; and CSCU will issue its notes to secure its obligations under the loan agreements; and

- WHEREAS, The Board of Regents for Higher Education for the four universities of the Connecticut State College and University System is requesting assistance from CHEFA in connection with financing the capital program; therefore be it
- RESOLVED, That the Board of Regents for the CSCU approves the following provisions for authorization to borrow from CHEFA as described below:

Section 1. That the Board hereby approves the capital program substantially in the form as described in *Exhibit A* hereto, but reserves the right, in its discretion, not to undertake any one or more of the components of the capital program, to amend the scope and details of any component of the capital program, or to add additional components to be financed by any borrowings to finance the capital program.

Section 2. That the action of the officers of the Board of Regents for Higher Education, in submitting a request to CHEFA in the name of and on behalf of CSCU in connection with financing of the capital program, be and the same is hereby ratified and approved and any future similar request of officers of the Board of Regents for Higher Education in furtherance of financing portions of the capital program in *Exhibit A* is hereby authorized.

Section 3. That CSCU borrow a sum not to exceed \$85.5 million from CHEFA to be used for the purpose of financing so much of the capital program, as described in *Exhibit B Series Q-1* hereto, as may be financed with proceeds of such borrowings, including but not limited to design and construction costs, equipment, materials, architect and engineering fees and other expenses related to the capital program, funding of a Debt Service Reserve Fund and paying costs of the financings; and that CSCU may spend additional moneys on any component of the capital program from available funds from State General Obligation Bonds and past and future borrowings from CHEFA, or surplus University Fee available for such purpose up to \$25 million..

Section 4. That the Board hereby approves the pledge to CHEFA, in order to Secure the financings, for the purposes and in accordance with the provisions of Chapter 187 and Sections 10a-87 through 10a-89g of the General Statutes of Connecticut, as amended, of all or any part of CSCU's right, title and interest in and to any revenues of the University Fee, any revenues of Student Parking Fees at Southern Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University and Central Connecticut State University as are necessary to secure the bonds, and certain other charges of CSCU presently owned or hereafter acquired.

Section 5. That the Board hereby approves, as further security for the financing of the capital program, that CHEFA's revenue bonds are secured by

a State Special Capital Reserve Fund (SCRF) as provided for in Chapter 187 and Sections 10a-87 through 10a-101 of the General Statutes of Connecticut, as amended, and, in particular, Section 10a-186a of said General Statutes, to be funded with proceeds of CHEFA's revenue bonds.

Section 6. That the Board hereby authorizes the President of the CSCU, and/or the Chief Financial Officer of CSCU, for and in the name of and on behalf of the Board, to execute one or more loan agreements and notes in as many counterparts as may be necessary, said loan agreements and notes to be in such form as such officer shall approve, such approval to be conclusively evidenced by such execution.

Section 7. That the President of CSCU and/or the Chief Financial Officer of CSCU, are further authorized for and in the name of and on behalf the Board, to execute and deliver, in the manner provided in Section 6 of this resolution, any and all other financing documents and written agreements, contracts, evidences of indebtedness, certifications and other instruments to which CSCU may be or become a party or which may be required to be executed and delivered in the name of and on behalf of CSCU, including but not limited to the establishment of one or more accounts dedicated to make the payments required to be made to CHEFA or to secure CHEFA's revenue bonds, and a pledge of revenues from the University Fee, and all or part of revenues from Student Parking Fees at Southern Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University and any revenues of Housing Fees at Southern Connecticut State University, Eastern Connecticut State University, Western Connecticut State University and Central Connecticut State University as are necessary to secure the bonds, and certain other charges of CSCU, as shall be determined by the President of CSCU and/or the Chief Financial Officer of CSCU, all such agreements, contracts and other instruments to be in such form as such officers may approve, such approval to be conclusively evidenced by such execution.

Section 8. That the President of CSCU and/or the Chief Financial Officer of CSCU, to approve, for and in the name of and on behalf of the Board and CSCU, the use in Official Statements of CHEFA of information with respect to the Board and CSCU, and to execute and deliver to CHEFA letters for use in Official Statements of CHEFA, such letters to be in such form as such officer may approve, such approval to be conclusively evidenced by such execution.

Section 9. That the President of CSCU and/or the Chief Financial Officer of CSCU, is further hereby authorized, for and in the name of and on behalf of the Board and CSCU, to approve or to execute, as appropriate, any or all instruments in connection with CHEFA's revenue bonds to be issued for the purposes herein approved; and any Trust Indenture between CHEFA and the Trustee to be selected by CHEFA, and any other agreement, instrument or document necessary or useful to consummate the financings of the capital program through CHEFA; and to cooperate with CHEFA in the issuance and sale of CHEFA's revenue bonds.

Section 10. It is the intention of the Board by this resolution to authorize the Officers of CSCU hereinabove named without further action by the Board, to approve all of the terms of CHEFA's revenue bonds, the terms of the loans from CHEFA, including the dates, amounts, interest rates, interest periods, maturities and financial and other covenants.

Section 11. The Officers of CSCU are, and each of them hereby is, Authorized and directed to perform and take such other actions as may be desirable, necessary, proper or convenient to accomplish the intent and purposes expressed herein, and the performance thereof by such officer shall be conclusive as to the approval by such officer of the terms thereof.

Section 12. CSCU hereby declares its official intent under Federal Income Tax Regulation Section 1.150-2 that project costs may be paid from temporary advances of available funds and that CSCU reasonably expects to reimburse any such advances from the proceeds of borrowings in an aggregate principal amount not in excess of the amount of borrowing authorized above for financing the capital program; and no funds from sources other than the reimbursement bond issue are or are reasonably expected to be reserved, allocated on a long term basis, or otherwise set aside by the Board pursuant to the Board's budget or financial policies with respect to CSCU to pay the bond-financed portion of the capital program, except as set forth in *Exhibit B Series Q-1*; and be it further resolved that the resolution shall take effect immediately upon its adoption.

ITEM

Authorization to borrow from the State of Connecticut Health and Educational Facilities Authority, in an amount not to exceed \$85.4 M (Series Q) for the purpose of financing residential, and other auxiliary facilities of the Connecticut state universities and related expenses and financing costs, authorization to pledge certain revenues and the entry into various agreements with the Connecticut Health and Educational Facilities Authority to secure such loans and the bonds.

BACKGROUND

Public Act No. 11-48 authorizes the Board of Regents for Higher Education to serve as the governing board for the Connecticut State Universities, replacing the previous relevant governing boards. Public Act No. 95-270 authorizes the Board to borrow money from the Connecticut Health and Educational Facilities Authority (CHEFA) to finance residential facilities, student centers, food service facilities and other auxiliary service facilities and related buildings and improvements.

As further security for the financing of the capital program, the legislation provides that CHEFA's revenue bonds may be secured by a State Special Capital Reserve Fund (SCRF). Repayment of the debt is generally provided through a pledge of University Fee, Housing Fee and Parking Fee revenues.

The four Universities and System Office have looked at projects required and funding available and have agreed upon a level of funding that is both addressing the most important needs of the Universities and maintaining a fiscal position that ensures that the incurred debt is manageable, and does not present risks to the System. This planning is prepared for a long-term view, as presented in Attachment A, but implementation and approval is for the immediate requirements, including fees, as detailed in Attachment B.

ANALYSIS

The attached presentation, Attachment B, provides analysis and schedules in support of this request and recommendation. In addition, the presentation provides information on how CHEFA bonds fit into our overall capital financing structure.

The CSUs have identified specific projects requiring either new construction or improvement project costs totaling \$101,945,751. Page 8 of Attachment B provides a breakdown of the projects and costs. Of the funding required to implement this program, including debt service and all other required expenses, \$85.5M will be funded from bond sale Series Q-1 proceeds. This includes project funds of \$76.9M with the remaining \$25M to be funded from available cash in our debt service reserve fund as outlined on page 16 of Attachment B. The full cost of the related bond (Series Q-1) is approximately \$85.5M. The full cost includes the SCRF set aside as required by our arrangements with CHEFA and the State, and costs of issuance. As shown in the attachments, the largest dollar value of items

financed is the Berkshire Hall – Phase 1 Renovation and Addition project at Western that begins to convert a classroom building into a new Student Center. Next largest request for this bond offering is the new Willard & DiLoreto Hall 600 vehicle parking garage.

The SCRF is a reserve fund for the protection of the bond holders. It is equal to one year of debt service. The bond trustee can tap into that fund if for any reason debt service obligations are not met. The state would then be required to replenish the fund. If unused, the SCRF set aside goes towards debt service on the bonds.

It is the practice of the System to evaluate the opportunity to refund existing debt at the same time in order to take advantage of favorable rates, and save on debt services costs in the future. We have identified approximately \$40.2M of such debt. Of this amount \$23.3M will be refunded and \$17.1M of the existing debt will be paid off with a cash contribution from our debt service reserve funds. When refunded at the expected current rate will save the System approximately \$3.3M in debt service costs, or about 8.3% of refunded bonds; this represents a refunding of approximately \$40.2M remaining in Series I bonds. In accordance with the Board Resolution passed on January 19, 2012, the refunding meets established criteria authorizing CSCU officers to implement the refunding, but is provided herein for informational purposes.

ATTACHMENTS

Attachment A to this report is the long-term CHEFA funded program capital plan and the total estimated required funding (in 2019 dollars).

Attachment B is the proposed Q Series CHEFA Financed Project that includes project and program costs, costs financed by the system, an initial financing timetable

RECOMMENDATION

Approve the management to initiate the issuance of bonds through the Connecticut Health and Educational Facilities Authority, in an amount not to exceed \$85.5M, as estimated in Attachment B, Series Q-1 (New Money), to finance construction and improvement projects relating to auxiliary service facilities as shown in Attachment B, page 8, and to finance related expenses and financing costs; authorization to pledge revenues from the University Fee, and institutional Housing and Parking fees as appropriate; and authorization to enter into various agreements with the Connecticut Health and Educational Facilities Authority in order to secure the loans and the bonds.

RESOLUTION

Concerning

CSU and COSC FY2020 TUITION AND FEES

March 28, 2019

WHEREAS,	The Board of Regents for the Connecticut State Colleges & Universities (CSCU) under its statutory authority - CGS 10a-99 - reviews and establishes tuition and fees annually for such purposes as the Board of Regents deems necessary, and
WHEREAS,	CSCU expects its General Fund appropriation to be impacted by the continuing weakness in the State economy, and
WHEREAS,	CSCU is evaluating numerous options and strategies designed to mitigate the impact of General Appropriations, and
WHEREAS,	Tuition and fees are an important element in financing CSCU's educational activities, and
WHEREAS,	In spite of this uncertainty, it is important that CSCU maintain the accessibility and affordability of its colleges and universities to the greatest extent possible, and
WHEREAS,	The proposals for tuition and fees as presented were developed through a process which involved discussions among stakeholders, therefore be it
RESOLVED,	That the FY2020 rates reflected on the attached report and schedules are effective at each university and Charter Oak State College as appropriate, and be it further
RESOLVED,	That said rates may be reconsidered by the CSCU Board of Regents should circumstances warrant.
	A True Copy:
	Erin A. Fitzgerald, Secretary Board of Regents for Higher Education

ITEM

Fiscal Year 2020 Connecticut State Universities and Charter Oak State College Tuition and Fees

REVISED tuition and fee schedule. The following items have been corrected from the committee presentation: CCSU Housing fee lowered by \$1 (from \$7131 to \$7130); Correction to CCSU Tier II fee for Over-Registration/Excess Credit fee to reflect the proposed increase in tuition & fees.

BACKGROUND

The Board of Regents under its statutory authority - CGS 10a-99 and Public Act 11-48 - reviews and establishes tuition and fees annually for the Connecticut State Colleges and Universities for such purposes as the Board of Regents deems necessary. Recommendations are developed through a process which involves discussions among leadership and Connecticut State Colleges & Universities (CSCU) management. Discussions generally focus upon programmatic needs and academic priorities, enrollment, the cost to students, the economy, anticipated state appropriations, and other factors. Tuition and fees are approved for each of the constituent units of the state: Connecticut State

Universities (CSU), Connecticut Community Colleges (CCC) and Charter Oak State College

This year, tuition proposals for the Universities and for Charter Oak State College are presented before the Board of Regents for approval. A proposal for the Community Colleges has been deferred until the April Board cycle.

EXECUTIVE SUMMARY

(COSC).

- Request for tuition and fee approval for FY 2020 for the Universities (Attachment A) and for Charter Oak State College (Attachment B).
- Governor's budget proposal calls for flat funding plus partial coverage of SEBAC raises.
- Without additional state funding, this tuition increase could leave Universities with a budget gap of over \$20 million. This may change based on final fringe benefit rates, final state budget action, and individual campus budget development. The ultimate shortfall must be closed with use of reserves, campus spending reductions, or a combination.
- CSU average Tuition and Mandatory Fees are proposed to increase by \$479 or 4.4% for an in-state undergraduate student.
- CSU average total Tuition and Fees for an in-state undergraduate residential student will increase by \$860 or 3.6%.

• For FY2019-20, CSU University Fee for in-state and NE Regional remains flat (0% increase) and University Fee for Out-of-State is proposed to decrease by \$110 or 5%.

• This proposal increases tuition and fees by the following rates:

	In-State	Out of State	
CSUs			
Tuition	5.0%	5.0%	
University Fee	0.0%	-5.0%	*
University General			
Fee	Up to 5%	Up to 5%	**
Room Fee	2.5%	2.5%	
Food Service Fee	3.6%	3.6%	***
cosc			
Tuition	2.9%	2.7%	
Fees	4.2%	4.5%	****

^{*} Held flat except out of state may be reduced by up to 5% to address competition

ANALYSIS - Budget

The discussion among legislators and the Governor's Office concerning the FY2020/2021 biennium budget is still underway at this writing. The Governor's proposed budget for FY 2020 includes \$145.2 million for the Universities, and \$3.1 million for Charter Oak. These proposed appropriations cover the general fund portion of SEBAC raises as well as fringe associated with that increase. However, the proposed appropriation still leaves significant gaps, including the increases to tuition-funded salaries and fringe benefits, as well as any resources to address student success initiatives.

While the budget shortfall across the 4 universities may be as high as \$20 million even after the impact of these proposed tuition and fee changes, there remains considerable uncertainty regarding the amount of reserves that must be dedicated to FY 2020 operations. This number is likely to be reduced as campuses find additional savings, or the legislature identifies additional resources.

ANALYSIS – CSU Programmatic Fee Changes, Market Adjustments and Other Changes

In addition to the basic tuition and fee increases, all institutions have certain programmatic fees, housing and food, and Tier II Fees, which are related to other activities.

^{**} May exceed 5% to rectify inconsistencies in tuition and fee schedules

^{***} Based on contractual costs

^{****} Mandatory fees

- The CSUs have a number of minor changes proposed to Tier II fees. Tier II fees are generally not assessed the same overall increase as tuition and fees, and therefore are evaluated individually. These fees cover non-instructional costs incurred by the university.
- The changes are reflected in Attachment A: "CSU Tier II Fees" and are in nature underlying cost increases, new programs, or, in some cases, are consistent treatment of fees among the four universities.
- Housing and food adjustments are based on the cost of each and increases in fees are intended only to cover the increases in relative costs. For FY 2020, the increase in housing costs is proposed to be capped at 2.5% in response to criticism from students that housing cost growth is particularly onerous.
- The University Fee, which generates funds that are set aside to pay for debt service of CHEFA-issued revenue bonds, is proposed to be frozen, except for out-of-state students for whom it will be reduced by 5%. This reduction is based on a projection of debt service funds available over a 30-year period. A separate proposal before the committee authorizes a new bond issuance and includes use of surplus debt service funds to replace bond proceeds for construction, thereby reducing borrowing costs.
- Below is a summary of changes to Tier II fees requested by each university:

Central Connecticut State University:

The tuition and fee proposal for FY2020 reflects an increase of \$452, or 4.3% for in-state undergraduate commuting students and \$803 or 3.5% for residential students.

Beginning with FY2020, Central has extended the Summer Orientation program to all incoming students and requests a revision to the fee from \$75 to \$125.

In the Fall 2017, Central implemented a pilot program with an Orientation fee of \$75 to offset the cost of providing a comprehensive extended one-day orientation program for all incoming students and their parents. For Fall 2019, Central is requesting to increase the Orientation fee to \$125 expending to include two full days with an overnight orientation program for all incoming students.

Eastern Connecticut State University:

The tuition and fee proposal for FY2020 reflects an increase of \$490 or 4.3% for in-state undergraduate commuting students and \$878 or 3.5% for residential students.

Southern Connecticut State University:

The tuition and fee proposal for FY2020 reflects an increase of \$491 or 4.5% for in-state undergraduate commuting students and \$899 or 3.8% for residential students.

Two Tier II Fees, the eLearning Incomplete/Access Fee of \$25 and the Ed. D Evaluation Fee have been eliminated beginning with FY 2020.

Beginning with FY2020, Southern proposes the following new Tier II fees:

- Implementing a Past Due Payment Plan Enrollment Fee for inactive students of \$50 per semester of delinquency;
- Implementing new Laboratory fee for Exercise Science Lab Standard First Aid & Safety of \$40;
- Implementing new Laboratory fee for all Athletic Training Clinical Courses for undergraduate program of \$60 and for graduate program of \$75.

Western Connecticut State University:

The tuition and fee proposal for FY2020 reflects an increase of \$485 or 4.5% for in-state undergraduate commuting students and \$865 or 3.6 % for residential students.

ANALYSIS – Charter Oak State College (COSC)

The 3% tuition rate increase requested by Charter Oak represents the increase required for break-even results in fiscal year 2020. This increase is required to cover the general cost of inflation in addition to offsetting the impact of general wage and fringe rate increases that were not covered in the most recent budget proposal from the Governor's office. Over the last 18 months, the College has diligently worked to enhance the financial condition of the school and reprioritize strategies leading to savings associated with both personnel and general operating expenses. Most notably, a reorganization of Charter Oak's personnel structure which incorporated a blend of attrition, transfers and job description changes has allowed the College to re-center its focus exclusively on adult learners seeking online educational programs while actively employed. Coupled with disciplined vendor savings in the areas of technology and infrastructure, Charter Oak is positioning itself in fiscal 2020 to execute additional strategies related to workforce development and benchmarking, expanded programming for high demand fields, partnerships with sister CSCU institutions and the continuation of the Community College tuition match scholarship.

ANALYSIS – Out-of-state Tuition

We are requesting that the fee schedules for FY2020 raise out-of-state tuition rates at the CSUs at the same rate as in-state tuition. However, in an attempt to maintain affordability for out-of-state students, the proposal also includes reduction of the University Fee for out-of-state students by 5%. Furthermore, the cap on housing costs at 2.5% will benefit some out-of-state students as well, helping to address the competitiveness of CSU tuition and fees for students from other states.

RECOMMENDATION

To seek Board approval of the attached tuition and fee recommendations covering the fiscal year FY2020, as further described in this staff report, comprising the Connecticut State Universities and Charter Oak State College.
