WHEREAS, The Board has previously determined that there be no differentiation in the tuition charged for online courses offered by the State University System, and courses offered in-person at the institution; and

WHEREAS, When online courses, previously known as OnlineCSU, were first established, students were charged for courses taken through a fee structure that was separate and distinct from standard tuition charges, and that no longer applies to such courses; and

WHEREAS, Whereas Section 10a-99(d) requires certain waivers of tuition be issued to certain enumerated classes of students; therefore be it

RESOLVED That Board Resolution 08-45 is rescinded; and be it further

ACADEMIC & STUDENT AFFAIRS

Interim Provost and Senior Vice President for Academic & Student Affairs provided a brief overview and background regarding the proposed resolution concerning Access to Financial Aid for Students Regardless of Federal Immigration Status. Discussion ensued among all board members regarding the merits of the resolution, along with the necessity for associated state funding. On a motion by Regent Greco, seconded by Regent McGurk, the following resolution passed unanimously.

WHEREAS, One of the five goals of the CSCU system is to promote equity in higher education by eliminating achievement disparities among different ethnic, racial, economic, and gender groups; and

WHEREAS, many potential students who are undocumented immigrants are denied access because they are now not eligible for student financial aid; and

WHEREAS, due to 8 U.S.C. § 1621 and 8 U.S.C. § 1621(a), which prohibit the provision of state or local public benefits, which can be reasonably construed to include all forms of financial aid offered by an institution, regardless of funding source, to non-qualified aliens or nonimmigrants, such students affected by PA 11-43 remain ineligible for state and institutional financial aid; and

WHEREAS, 8 U.S.C. § 1621 further specifies that states retain the authority to provide state or local public benefits, including financial aid, to immigrant students otherwise ineligible to receive such benefits, through the affirmative passage of state legislation; and

WHEREAS, a preliminary financial analysis indicates there is a potential for significant cost impact to institutions that would result from allowing a new population of students to access certain forms of state and institutional aid, and that such analysis needs to be further refined; and
WHEREAS, the Student Advisory Committee and the Faculty Advisory Committee have both formally submitted resolutions of support for the offering of financial aid to all students, regardless of federal immigration status; now therefore

BE IT RESOLVED THAT, the Board of Regents for Higher Education supports the goal of offering some form of financial aid to additional students, regardless of federal immigration status; and

BE IT FURTHER RESOLVED THAT, the Board of Regents for Higher Education will constructively work with the Connecticut General Assembly on measures that would achieve this goal while also mitigating the financial risk to the Board and its institutions.

Student Testimonials

Why did I drop out of college?

“My mother passed away when I was 13, and my father passed away while I was attending school full-time. I needed to find a full-time job to pay the mortgage.”

“I had no money left for school and I was unwilling at the time to take out a loan. I was young and stupid. I was going to school full-time and working full-time. I got overwhelmed and gave up on school.”

“Many excuses – no real reasons. Started a decent job and did not recognize the value of completing my degree. I struggled, in the beginning, received a second chance (fresh start program) and never finished.”

“There weren’t enough seats in the upper level English Literature classes I needed to complete my degree at College X.”

“I didn’t make enough income part-time to pay for school. I had to choose between full-time work to pay living expenses and college.”

“Wife gave birth to 2nd and 3rd child.”

“I was dismissed for academic reasons because at 19 years of age, I was not mature enough to handle the responsibilities of being on my own for the first time.”
Student Testimonials

What’s changed?

“I promised my parents I would complete my education and have children of my own. I want to show them that it’s never too late.”

“I’m a forty year old father of two looking to finish his degree to provide a better life for my family.”

“I travel for work approximately 10-12 weeks per year, mainly international trips. Now I know I can finish with an online program.”

“I live close to Western CT but do have a full-time job and a young family – flexibility will be critical. Combining on-ground and online will be important.”

“At nineteen, I was not mature enough to make my education a priority; but, at twenty-seven, I have spent the last eight years in management roles in both of my jobs and would like the opportunity to continue my education.”
“We’ve been successful with our ‘Go Back to Get Ahead’ program, helping our workforce earn college degrees to fill good-paying jobs for the future.”
