## 1. Approval of Minutes from the April 25, 2018 Meeting

## 2. Action Items

A. Three Rivers Community College - MOU for Advanced Manufacturing Program space at Ella Grasso Technical High School (Material attached)*
B. Southern Connecticut State University - Extension of Lease Term with Verizon Wireless for Antenna
C. Southern Connecticut State University - Revision to lease agreement with the Ethnic Heritage Center
D. Gateway Community College - MOU for space at Eli Whitney Technical High School, Hamden
E. Eastern Connecticut State University - Purchase of 347 Prospect Street, Willimantic
F. Connecticut State Colleges \& Universities (CSCU) - Fiscal Year 2019 Budget/Spending Plan and Fiscal Year 2018 Projections (Included Attachments E and Attachments F)*
3. Information Items
A. CSCU - Update on Administrative Cost Savings Plan (Materials to be provided at meeting) View Cost Savings Update

1) Reaffirm CSCU Cost Savings Target
2) New Community College Cost Savings Target

# MEETING OF THE FINANCE AND INFRASTRUCTURE COMMITTEE 

Board of Regents for Higher Education
Wednesday, April 25, 2018
10:00 a.m.
61 Woodland Street, Hartford, CT

## Minutes

## REGENTS PRESENT

Richard Balducci, Committee Chair

Del Cummings
Felice Gray-Kemp (Telephonic)
David Jimenez (Telephonic)
Catherine Smith (Telephonic)

## REGENTS ABSENT

JoAnn Ryan

## CSCU STAFF PRESENTING

Mark Ojakian, President; Erika Steiner, Chief Financial Officer; Steve Weinberger, Vice President for Human Resources

With a quorum present, Chairman Balducci called the meeting to order at 10:00 a.m.
President Ojakian recapped the information that the committee previously received regarding the financial situation of the System, SEBAC agreement, 2019 fringe benefits and projections for the future.

Comments were shared regarding the disappointing news received from the New England Association of Schools and Colleges (NEASC) regarding the Students First initiative. In the coming days we will review all options, including legislative and accrediting options. Without the savings from the community colleges consolidation, tuition hikes or closing a campus to balance the budget will be necessary, otherwise the colleges will be financially insolvent by FY20. Students First was created to reduce administration and redundancies across the 12 community colleges campuses and as an alternative to balancing our financial burden on the backs of our students or making it more difficult for them to attend our colleges. If the deficit is balanced solely on tuition and fee increases, tuition at the community colleges would more than double by FY21.

## 1. Approval of Minutes from the February 21, 2018 Meeting

The minutes of the February 21, 2018 meeting were unanimously approved, upon the motion of Regent Balducci, seconded by Regent Jimenez.

## 2. Information Items

## A. Fiscal Implications of Bargaining Unit Agreements

## a. SEBAC

VP Weinberger provided information on collective bargaining efforts that transpired over the past year and the fiscal implications of the SEBAC agreement. Simultaneous meetings were held between OPM and SEBAC groups regarding coalition fringe benefits. Economic terms of the agreement are dictated by SEBAC discussions. Non-economic items were also discussed. Fiscal year 2017 concluded by the time the fiscal agreement was reached and FY18 was concluding. The agreement calls for a lump sum payment of $\$ 2,000$ in FY19 to all employees with a prorated amount for part-timers. Eligibility will be based on active status as of the Fall. The SEBAC agreement also calls for an across the board increase of 5.5\% for both FY20 and FY21 for all full-time employees and pro-rated for part-timers. The matter is further complicated by employment security provisions that remain in place through June 30, 2021.

No new money is available for the SEBAC implications that starts in FY19. The universities have agreed to revalue the price of a lab credit to a full credit. This agreement will impose some cost to the universities. A structural change to the Community College faculty workload will increase to five courses for new faculty oppose to the current four courses. Incumbents will be factored in.

Regent Jimenez recommended that the Board raise concerns with the negotiators of SEBAC, OPM, and the General Assembly.

## B. Impact of Increases in Wages and Fringe Benefit Rates

## a. FY 2019 Impact on Operating Funds

CFO Steiner reviewed the variance in the FY19 projected fringe benefits rates versus FY18 final fringe benefits rates per SEBAC. The SERS employees' rate is projected to increase $17 \%$ and will drive the System's financial statement for FY19. The Office of the State Comptroller analysis total impact for wage and fringe increases portrays wages increasing by $\$ 20$ million and fringe benefits increasing $\$ 43$ million using the Governor's mid-term adjustments. The CSCU system will need to absorb the increases due to the fact that State appropriations has not kept pace.

## b. Projections Through FY 2021

The 4-year projections for the CSCU system reviewed are based on the assumption of the Governor’s FY19 mid-term report for funding (final FY19 Budget is still to be determined); flat state funding (they may cover wage increases for General Fund employees) and flat fringe rates after FY19. The projections assume the rate of tuition/fee increases continue at FY19 rate (yet to be determined by the Board) and enrollment declines in accordance with Fall 2017 census (CSUs flat). Job protection and wage increases per SEBAC. The FY19 fringe rate was adjusted in March per communication from the Office of the State Comptroller raising rates. Longevity payments totaling $\$ 5$ million were deferred from fiscal year 2018 to fiscal year 2019, thus consisting of three payments to our three constituent groups.

Beginning with current year (FY18 projections provided by the institutions) sixteen of seventeen institutions estimate losses with the exception of CCSU, with increase in losses each year. The Unrestricted/Undesignated Reserves would be consumed by each constituent group during the following period: COSC in FY19; CCC in FY20; and CSU in FY21. We are working on a potential restructuring of COSC to alleviate the most imminent problem. Hiring will continue to be monitored and restricted. The administration will need to accelerate a quick resolution due to NEASC's decision regarding the Students First initiative.

Cost sharing opportunities among the colleges will continue to be looked at. The CSU Presidents have begun dialog on how they might share resources and reduce costs. A reduction in force is planned once the SEBAC employment security provisions expire on July 1, 2021. Calculations were performed with tuition increases. It would necessitate double digits increases to tuition, which is not acceptable, for students to continue to have access to higher education at our colleges. Twenty-three percent of our students rely on full Pell grants to fund their education. Enrollment improvement strategies, such as "no denial" which funnels applicants not ready for CSU to the CCCs as "already accepted."

With no other business to discuss, on motion of Regent Cummings, seconded by Regent Smith, the meeting adjourned at 11:03 a.m.

## RESOLUTION

concerning
MOU FOR ADVANCED MANUFACTURING SPACE
BETWEEN THREE RIVERS COMMUNITY COLLEGE (TRCC)
and
ELLA GRASSO STATE TECHNICAL HIGH SCHOOL (ELLA GRASSO)
June 21, 2018

June 21, 2018

WHEREAS, The Connecticut State Colleges \& Universities (CSCU) continues to meet the needs of a growing Advanced Manufacturing requirements in Connecticut and to develop programs to support the expanding need for skilled workers in the state's manufacturing industry; and

WHEREAS, In cooperation with the Eastern Connecticut Workforce Investment Board and Electric Boat Division of General Dynamics (EB), CSCU desires to significantly increase the number of students trained in order to support the anticipated regional growth; and

WHEREAS, EB has specifically requested that TRCC develop programs and establish facilities to train for both the growth of their business and to replace an aging workforce; and

WHEREAS, Modifying space at Ella Grasso is expeditious, cost-effective, fiscally accretive, and physically desirable and will meet the needs of EB; therefore, be it

RESOLVED THAT, TRCC may execute an MOU with Ella Grasso in order to put the educational programs in place and make modifications as necessary to the facilities, and to purchase equipment required for instruction.

A Certified True Copy:

Erin A. Fitzgerald, Secretary
Board of Regents for Higher Education

ITEM
Three Rivers Community College - MOU for Advanced Manufacturing Program space at Ella Grasso Technical High School

## BACKGROUND

The Connecticut State Colleges and Universities is seeking to expand its partnership with the Connecticut Technical Education and Career Services (CTECS) department to help meet the need for highly skilled advanced manufacturing workers in the Eastern region of the state.

The Electric Boat (EB) division of General Dynamics has been and is expected to continue to expand operations in effort to design, build and maintain the next generation submarine. EB has been encouraged through grants and loans provided by the state to build operations up in Connecticut versus their other two sites in Rhode Island and Virginia. Among other incentives is a package including an $\$ 8$ million grant which EB is required to allocate to workforce training efforts at the state's technical high schools and community colleges. This will in particular benefit Three Rivers Community College (TRCC) in providing educational support to EB and its manufacturing suppliers, as part of a manufacturing pipeline program launched 2 years ago by the Eastern Connecticut Workforce Investment Board (Eastern WIB).

For its part in the initiative, TRCC is planning to launch a pipeline training program in the new Ella Grasso Technical High School, expected to open for classes in September 2019.

As part of the expanded partnership between TRCC and the CTECS, this facility will train Ella Grasso High School (Ella Grasso) students, EB's incumbent workforce, and the region's under- and unemployed citizens seeking to enter the advanced manufacturing workforce by providing non-degree credentials that are based on curriculum designed by EB and TRCC, and approved by CSCU. Further, CTECS has arranged to make space available for TRCC to train prospective workers in both day and evening classes on a Monday through Saturday schedule at Grasso Technical High School.

#### Abstract

ANALYSIS

TRCC seeks approval to execute an MOU with Ella Grasso in order to put the educational programs in place and make modifications as necessary to the facilities, and to purchase equipment required for instruction.

As noted, the space available at Ella Grasso will be used to educate incumbent and new workers needed both to support the growth at EB and to replace their aging workforce. EB has directly approached CSCU to assist the company in preparing for thousands of manufacturing jobs it will need to fill over the next 12-14 years.

Among CSCU, EB and the Eastern WIB, different solutions were explored to increase TRCC's educational capacity. Inasmuch as TRCC already utilizes space at the current Ella Grasso site for training programs and faculty and students are comfortable in that arrangement, and because the facilities are new and targeted for technical programs, it was determined that expansion of teaching capability at Ella Grasso would be the easiest and most cost-effective solution to meeting the industry needs. The following is a cost/benefit analysis of this arrangement:

| Revenue | Instruction Time | Classes per Year | Cohort Size | Tuition/Fees per Student | FY20 Training for Electric Boat only |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Welding | 10 Week | 4 | 20 | 5,000 | 400,000 |
| Outside Machinists (OSM) | 5 Week | 8 | 16 | 4,000 | 512,000 |
| Introduction to Manufacturing (ITM) | 5 Week | 8 | 16 | 3,000 | 384,000 |
| Design Engineer | 5 Week | 8 | 18 | 1,800 | 259,200 |
|  |  |  |  |  | \$1,555,200 |
| Direct Costs |  |  |  |  |  |
| Instructional Costs (60\%) |  |  |  |  | 933,120 |
| Equipment replacement (1\%) |  |  |  |  | 15,552 |
| Facility Usage |  |  |  |  | 7,500 |
|  |  |  |  |  | \$956,172 |
| Estimated Gross Surplus/(Deficit) |  |  |  |  | \$599,028 |
| Support Services |  |  |  |  |  |
| Director (CCP19) |  |  |  |  | 120,384 |
| Coordinator (CCP16) |  |  |  |  | 94,598 |
| Educational Assistant (17 Hours/week) |  |  |  |  | 34,887 |
|  |  |  |  |  | \$249,869 |
| Estimated Net Surplus/(Deficit) |  |  |  |  | \$349,159 |

One-time Costs

| Initial Equipment purchases | $\$ 800,000$ | From Capital Equipment Bond funds held by the System Office |
| :---: | :---: | :---: |
| Initial Construction Costs | $\$ 350,000$ | From resources set aside for TRCC Manufacturing project (\$2M) |
|  |  | $\$ 1,150,000$ |

This analysis is based only on the training needs for EB. There has been interest expressed by additional groups including the Incumbent Worker Program, area high schools, supplychain employers, and the EB Apprenticeship Program which have not been included above. At full capacity the TRCC facility could generate an additional $\$ 388 \mathrm{~K}$ in gross revenues.

As indicated above, the construction and equipment costs are intended to come from two separate sources which are already identified, and the revenues are expected to be in excess of costs of the program in the first year of operation (FY20).

Other attributes that make utilizing space at Ella Grasso desirable include:

- The pipeline training program can be fully operational for Fall 2019 (FY20), which is EB's latest desired date for its workforce training needs.
- It is a cost-effective option that requires a lower CSCU capital investment than any of the other options considered. Construction to modify the facilities at Ella Grasso is currently estimated to be $\$ 350,000$, as compared to the least expensive option available of building at the TRCC campus, estimated at $\$ 2,000,000$.
- Programs can be maintained in one location for welding, pipefitting, sheet metal fabrication, drafting, carpentry and electrical, as well as for hands-on submarine construction utilizing a partial submarine hull located at Ella Grasso.
- Contiguous classroom lab and support space will be available for TRCC use.
- Reasonable program growth can be accommodated at this location.
- Ella Grasso Technical High School students will be provided opportunities to learn and also be trained in the spaces, providing seamless and continuous education opportunities from high school through employment, as well as for ongoing incumbent worker training.
- The state's recently-announced investment in EB requires that some of the funds provided be spent in training of students enrolled in Connecticut technical high schools and public colleges; this will support the enrollment projections.
- Locating at Ella Grasso affords their students with the opportunity to take college classes as available, without the concerns of transportation; this would increase potential revenue for TRCC.

The Department of Administrative Services (DAS), on behalf of TRCC, will enter into a lease for space and operate the pipeline program out of approximately 6,700 square feet of contiguous classroom, lab and support areas on the ground level of Ella Grasso, at no rental cost to CSCU. There may be nominal incremental costs for security (not included above) if TRCC utilizes the space during non-high school hours.

## RECOMMENDATION

Provide TRCC with approval to execute an MOU with Ella Grasso in order to put the educational programs in place and make modifications as necessary to the facilities, and to purchase equipment required for instruction.

# RESOLUTION <br> concerning <br> LEASE RENEWAL OF ROOFTOP SPACE AT SOUTHERN CONNECTICUT STATE UNIVERSITY FOR <br> A COMMUNICATION ANTENNA 

June 21, 2018

WHEREAS, On June 18, 1997 the former CSU Board of Trustees approved negotiating and executing a lease agreement with the former NYMEX Mobile (Verizon Wireless) for use of approximately 240 square feet on the rooftop of Jennings Hall at Southern Connecticut State University; and

WHEREAS, The Board resolution included term limitations of one 5-year term and three 5-year extensions; and

WHEREAS, Verizon Wireless has requested approval for an additional 5-year term lease with three 5-year extensions; and

WHEREAS, The lease will compensate Southern $\$ 25,550.70$ for the first term, with a $15 \%$ increase for each extension period; and

WHEREAS, The lease will terminate if an extension is not exercised but no later than the end of the third extension period in 2037; now therefore be it

RESOLVED THAT, Southern Connecticut State University is authorized to continue leasing Jennings Hall roof space to Verizon Wireless for one 5-year term and up to three 5-year extensions.

A True Copy:

Erin A. Fitzgerald, Secretary
Board of Regents

## ITEM

#### Abstract

Southern Connecticut State University - Extension of Lease Term with Verizon Wireless for Antenna

## BACKGROUND

Section 4b-38 of the Connecticut General Statutes provides that the Board of Regents for the Connecticut State Colleges and Universities "may lease land or buildings, or both, and facilities under the control and supervision of such Board when such land, buildings or facilities are otherwise not used or needed for use by the constituent unit and such action seems desirable to produce income or is otherwise in the public interest, provided the treasurer has determined that such action will not affect the status of any tax-exempt obligations issued or to be issued by the State of Connecticut." The State of Connecticut Attorney General's Office approvals are also required for lease agreements approved by the Board of Regents.

#### Abstract

ANALYSIS

On June 18, 1997 the former CSU Board of Trustees approved management to negotiate and execute a lease agreement with the former NYMEX Mobile (Verizon Wireless) for use of approximately 240 square feet on top of Jennings Hall at Southern Connecticut State University (SCSU). A cellular communications roof antenna was placed on the rooftop as well as miscellaneous electronic equipment housed in the rooftop mechanical penthouse. The Board's approval was for one 5 -year term with three additional 5 -year extensions, which was to be approved term by term by both SCSU and Verizon Wireless. The annual rent was $\$ 14,600$ for the first 5 -year term, escalating for each subsequent 5-year renewal, with the most recent rent at \$22,218. Although the Board resolution included term limitations, the executed contract did not place term limitations on the number of 5 -year extensions available. The current contract remains inforce contingent upon the Board of Regents approval of a resolution allowing additional contract extensions.

Verizon Wireless has requested approval for an additional 5-year term lease with three 5 -year extensions, parallel to the original contract. Except for the lease amount, all terms and conditions of the current contract will remain unchanged. The new annual lease amounts will be:

| Term | Rent - increased by 15\% each <br> extension period |
| :--- | :---: |
| First five-year term | $\$ 25,550.70$ |
| First five-year extension | $\$ 29,383.31$ |
| Second five-year extension | $\$ 33,790.80$ |
| Third five-year extension | $\$ 38,859.42$ |

With this approval the original lease will be amended to expire no later than the end of the third extension term in 2037.

## RECOMMENDATION

Approve Southern Connecticut State University to continue leasing space on the rooftop of Jennings Hall for a cellular communications antenna and equipment for one 5-year term and three 5-year extension terms.

6/6/18 Finance \& Infrastructure Committee 6/21/18 Board of Regents

RESOLUTION
concerning

## A LEASE AGREEMENT WITH THE ETHNIC HERITAGE CENTER AT <br> SOUTHERN CONNECTICUT STATE UNIVERSITY <br> June 21, 2018

WHEREAS, In 1991, Southern Connecticut State University was authorized by the former CSU Board of Trustees to lease space in Buley Library to the Ethnic Heritage Center; and

WHEREAS, The Ethnic Heritage Center, currently made up of five historical societies, is a not-for-profit, multi-cultural educational center dedicated to celebrating human diversity of the State of Connecticut; and

WHEREAS, These historical societies consist of the Connecticut Afro-American Society, Irish-American Historical Society, Italian-American Historical Society, Jewish Historical Society of New Haven and the Ukrainian-American Historical Society; and

WHEREAS, The Ethnic Heritage Center remains open to expanding their archives with other cultural archives as opportunities arise; and

WHEREAS, The Ethnic Heritage Center focuses on the preservation of cultural history by educating the public through exhibits, lectures, author appearances, workshops and hosting group visits by local schools; and

WHEREAS, The Center will also be active with the University's Multi-Cultural Center, and university staff and students will have access to the Center's archives for study and research; now therefore be it

RESOLVED THAT, Southern Connecticut State University will enter into a \$1.00 annual lease agreement with the Ethnic Heritage Center for the use of space at the old Student Center, or at a future campus location as determined by Southern Connecticut State University.

A True Copy:

Erin A. Fitzgerald, Secretary
Board of Regents

## ITEM

Southern Connecticut State University - Revision to lease agreement with the Ethnic Heritage Center

## BACKGROUND

The Ethnic Heritage Center located at Southern Connecticut State University (SCSU), is a not-for-profit multi-cultural educational center dedicated to celebrating human diversity of the State of Connecticut through the preservation of cultural history and by educating the public through exhibits, lectures, author appearances, workshops and hosting group visits by local schools. The Center was approved to occupy space in Buley Library in 1991. This request is to amend the location of the previous resolution.

## ANALYSIS

In December, 1991, the former CSU Board of Trustees passed a resolution allowing SCSU to reinforce its commitment to multi-cultural education by providing leased space to the Ethnic Heritage Center in the Buley Library.

The Ethnic Heritage Center is a not-for-profit ethnic heritage archive, museum, and research center, arising out of the two-decade-long association of five New Haven based ethnic historical societies. These historical societies include the Connecticut Afro-American Society, Irish-American Historical Society, Italian-American Historical Society, Jewish Historical Society of New Haven and the Ukrainian-American Historical Society. These diverse groups work toward a common goal of creating a collection of documents and other memorabilia that commemorate the contributions made to the American Society by their forbears as well as by themselves. In the past other local cultural groups have expressed interest in contributing to the multi-cultural archives. The Heritage Center remains open to these opportunities.

Maintaining the collection at SCSU has created a center of artifacts and information that will be preserved for future generations as well as for use in research. In addition to accumulating an array of historical facts, the Center helps organizations manage and preserve their historical collections to prevent deterioration. They also provide a facility to display, exhibit and teach about the contents of the collection. The Center's governance structure includes a three-member board with two alternates and one liaison selected by SCSU's President.

For SCSU's convenience, the Ethnic Heritage Center has been located at various campus locations. In 1997, the Center was relocated from Buley Library to the Wintergreen Building and in 2011 to the warehouses on the campuses south end of Fitch Street. SCSU currently plans to demolish the warehouses so that a more prominent campus entrance can be developed. Therefore, the Center will be relocated to approximately 5,000 square feet in the
vacant first floor of the old Student Center. As with other moves, the Center will fund all moving and build-out expenses. Consistent with prior lease terms, due to the value of this resource located at the campus, SCSU will charge a nominal $\$ 1.00$ annual rent and fund minor miscellaneous utility expenses that are incidental for SCSU. Also, maintaining its status as a unit of the campus, the Center will have access, when available, to general University facilities such as meeting rooms, exhibit areas, parking, and the library collection. The Center will also be active with the University's Multi-Cultural Center. On the University's side, staff and students will be able to access the Center's archives for research.

## RECOMMENDATION

Approve SCSU's continued leasing of space to the Ethnic Heritage Center which will be relocated to the old Student Center and/or other future campus locations as determined by SCSU.

## RESOLUTION

concerning

MOU for SPACE USE
by
GATEWAY COMMUNITY COLLEGE
and
ELI WHITNEY TECHNICAL HIGH SCHOOL
June 21, 2018

WHEREAS, Gateway Community College (GCC) desires to expand their Allied Health \& Nursing Division to include a new Surgical Technology Program as a satellite to the Housatonic Community College Surgical Technology Program; and

WHEREAS, This program is scheduled to commence in the fall 2018 semester and is expected to accommodate cohorts up to 20 first- and 20 second-year students; and

WHEREAS, GCC will provide instruction of the Surgical Technology Program in previously constructed space at Eli Whitney Technical High School in Hamden located about 3.7 miles from the main campus, with minimal upfront costs; and

WHEREAS, In lieu of rent and operating expenses, GCC will provide $\$ 2,000$ annual tuition waivers to two Eli Whitney graduating high school seniors to pursue an education in any health care field at Gateway; and

WHEREAS, GCC will also admit and fund the balance, after Federal Student Aid, for one qualified Eli Whitney High School graduating senior student into the Surgical Technology Program; and

WHEREAS, Student tuition and fees of the Surgical Technology Program will fully fund the Surgical Technology Program; now therefore be it

RESOLVED THAT, An MOU may be signed allowing for GCC to occupy space at Eli Whitney Technical High School.

A True Copy:

Erin A. Fitzgerald, Secretary
Board of Regents

## ITEM

Gateway Community College - MOU for space at Eli Whitney Technical High School, Hamden

## BACKGROUND

Gateway Community College is requesting approval to establish space for a new Surgical Technology Program as part of their Allied Health \& Nursing Department. Gateway proposes to utilize existing, unused, and built-out space at Eli Whitney Technical High School to house this program. Minimal upfront costs will be required for Gateway to develop this program. Several tuition waivers to Eli Whitney graduates will be offered in lieu of rent and operating cost reimbursements to the High School.

#### Abstract

ANALYSIS

Gateway Community College has an opportunity to expand their Allied Health \& Nursing Department to include a new Surgical Technology Program. This program is currently offered at Housatonic Community College and the same curricula will migrate to Gateway Community College.

Currently, Gateway does not have the appropriate facilities to offer this new course of study. Gateway has worked with Eli Whitney Technical High School in Hamden who has unused space properly equipped for this program. Use of the Eli Whitney Technical High School space would allow Gateway to develop this program with minimal upfront costs. The high school is located approximately 3.7 miles from the Gateway Community College campus and on a regular bus line. However, it is expected that all technical coursework will be offered to students at the high school location, and most probably general education would be taken on different days. Either way, both the main campus and the high school location are easily accessible to students.

For use of the Eli Whitney Surgical Technology lab space and equipment, Gateway will provide $\$ 2,000$ annual tuition waivers to two Eli Whitney graduating high school seniors who are pursuing an education in any health science field at Gateway, in lieu of rent and operating expenses. The two $\$ 2,000$ tuition waivers will continue to be offered to two new students each year the agreement remains in effect. Each year the Agreement is in effect, Gateway will also admit one Eli Whitney High School graduating senior student into the Surgical Technology Program provided that the student meets program eligibility/admissions requirements. Gateway will fund the remaining balance owed by this student beyond what is funded through Federal Student Aid. In consideration of the aforementioned compensation, all fees for use of the Eli Whitney Technical High School Surgical Technology lab space and equipment will be waived.

This new program is scheduled to commence in the fall 2018 semester. When fully developed the program will consist of up to 20 first- and 20 second-year students with never more than 20 students at Eli Whitney Technical High School at any one time. It is expected that the firstyear cohort and second-year cohort will attend classes on alternating days. Students will report two days a week for classes held at Eli Whitney Technical High School and two days a week to area hospitals where they will complete their clinical work. Gateway is requesting approval to develop an MOU and enter into an agreement with the State Technical High School System for use of space at Eli Whitney Technical High School.

The following table illustrates the expected fiscal benefits of the program:

| Year 1 |  | Revenue | Direct Cost | Indirect Costs | Net Benefit | Comments |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | Fall | - | - | 3,785 | $(3,785)$ | No Costs - Gen Ed coursework at main campus |
|  | Spring | 45,200 | 19,586 | 4,260 | 21,354 | 10 Credits Surgical Tech |
| Year 2 | Fall | 52,260 | 23,013 | 4,613 | 24,634 | 12 Credits Surgical Tech |
|  | Spring | 52,260 | 23,013 | 4,613 | 24,634 | 12 Credits Surgical Tech |

Revenue assumes 20 students per cohort, standard tuition and fees, and clinincal lab fees
Direct CostsCosts are for 3 lecturers each semester including fringe benefits
Indirect Costs include 2 students at $\$ 1,000$ per semester plus one waived tuition/fee student

As shown above, this program is expected to be accretive to the finance of the college.

## RECOMMENDATION

Approve the development and signing of an MOU with the State Technical High School System for use of space at Eli Whitney Technical High School.

# concerning <br> THE PURCHASE OF REAL ESTATE <br> for <br> EASTERN CONNECTICUT STATE UNIVERSITY 

June 21, 2018

WHEREAS, Residential property adjacent to Eastern Connecticut State University has been offered for sale to the Board of Regents for the Connecticut State Colleges and Universities; and

WHEREAS, The residential property is located at 347 Prospect Street, Willimantic, CT; and

WHEREAS, The acquisition of property on Prospect Street is part of a planned long-term university effort to obtain real estate parcels that are adjacent to campus to increase buildable land area, enhance aesthetics and better promote the university street frontage; and

WHEREAS, The acquisition of 347 Prospect Street is consistent with Eastern Connecticut State University's long-term property acquisition goals; and

WHEREAS, The purchase of 347 Prospect Street totals $\$ 65,000$; and

WHEREAS, This purchase will be funded from the FY2013 allocation of the CSCU 2020 Program Land and Property Acquisition Program; and

WHEREAS, The Board of Regents property purchase is contingent on the approvals of the Department of Administrative Services, State Properties Review Board, and Attorney General; now therefore be it

RESOLVED THAT, The Board of Regents for the Connecticut State Colleges and Universities approves the purchase of 347 Prospect Street for the consideration of $\$ 65,000$ on behalf of Eastern Connecticut State University.

A True Copy:

Erin A. Fitzgerald, Secretary
Board of Regents

## ITEM

Eastern Connecticut State University - Purchase of 347 Prospect Street, Willimantic

## BACKGROUND

The CSCU 2020 Land and Property Acquisition Program provides an available funding source for the acquisition of properties that are strategic to meet current and future academic and support needs of the four universities. Land and buildings considered for purchase are typically located adjacent to, or nearby the universities and may include residential, open land, and industrial zoned properties. The desire is to purchase strategic properties as soon they become available for acquisition in order to avoid sale to private parties.

#### Abstract

ANALYSIS

Eastern Connecticut State University (ECSU) has an established long-term goal of obtaining residential properties on Prospect Street, High Street and Windham Street Extension that are adjacent to the university. This long-term goal for incorporating land parcels as part of the campus has enabled the university to establish a street presence and expand the campus footprint slightly as opportunities allow. The owner of 347 Prospect Street expressed an interest in selling their residential property to the State for ECSU's use. The single-family 3,434 s.f. Victorian style building was constructed in 1894 with a garage added in 1924, and sits on a 0.31 -acre lot. This site is located on the corner of Prospect Street and Windham Street Extension. To date CSCU has acquired all residential properties located at the Windham Street Extension with exception of this property. The Extension is a major pedestrian and vehicle connector between the main campus and ECSU's south campus facilities. ECSU would like to secure this property in order to maintain campus aesthetics and security since it flanks a major ECSU entry point.

Due to potential environmental concerns related to the age of this facility, we retained a consultant to identify materials currently considered hazardous and to identify the cost of abating those items. The study identified a number of locations at this site that contain levels of lead, mercury, asbestos, petroleum and VOC's (volatile organic compounds) that are considered hazardous and will require some type of abatement. The total projected abatement cost is estimated between $\$ 40,000$ to $\$ 50,000$. Remediation and funding of this work will occur and be funded under future renovation projects.

A single-family deed restriction in the town of Willimantic land records exists on the property. However, the town does not want this property to be a single- or multi-family residential use when sold to the State. ECSU's long-term plans for the site include renovating the facility, when funds are available, to a non-residential use. The town is working with the current building owner to change the deed restriction prior to the property sale.

The Department of Administrative Services conducted a property appraisal and negotiated terms and conditions for the purchase of 347 Prospect Street. The negotiated purchase cost for this property is $\$ 65,000$. This is the estimated average fair market value of the property.

This purchase will be funded from the FY2013 allocation of the CSCU 2020 Land and Property Acquisition Program.

## RECOMMENDATION

Approve the purchase of 347 Prospect Street for Eastern Connecticut State University, pending final approvals of the Department of Administrative Services, State Properties Review Board and Attorney General.

[^0]
# RESOLUTION <br> concerning <br> FY2019 BUDGET/SPENDING PLAN <br> FOR <br> THE CONNECTICUT STATE COLLEGES \& UNIVERSITIES 

June 21, 2018

WHEREAS, Pursuant to the provisions of Section 10a-8 of the Connecticut General Statutes, "...the Board of Regents for Higher Education shall be deemed the budgeted agency for the Connecticut State University System, the regional community-technical college system and Charter Oak State College. The Board of Regents for Higher Education shall develop a formula or program-based budgeting system to be used by each institution in preparing operating budgets..."; and

WHEREAS, Each college, university and the System Office has submitted a budget for FY 2019 to the Board of Regents summarized in Attachment A; and

WHEREAS, The Board of Regents approves an overall spending level for all funds except for federal and private grants, bond funds, and intra/inter agency funds; and

WHEREAS, Each institution commits to adhere to the approved budget, maintaining expenditure control within the spending caps established; and

WHEREAS, The FY2019 Budget/Spending has been developed based on the approved state budget and state appropriations to CSCU dated May 10, 2018; and

WHEREAS, The institutional budgets have incorporated information provided by the Governor's office/OPM, the Office of the State Comptroller, legislative pronouncements, and agreements (including provisions of SEBAC); and

WHEREAS, The institutions have reduced spending wherever practicable over the past several years as state support has been reduced and wages/fringe benefits have increases; and

WHEREAS, Nonetheless the FY2019 Budget presents a loss position for each of the three constituent units; and

WHEREAS, Management recognizes that this is not a long-term sustainable position and therefore requires strategic action plans to incorporate system-wide administrative cost savings which have been and continue to be developed; and

WHEREAS, The Board of Regents has reviewed and discussed the budget proposal and finds the FY2019 Budget/Spending Plan appropriate under CSCU's present fiscal circumstances; therefore, be it

RESOLVED THAT, The Board of Regents approves the FY2019 Budget/Spending Plan as summarized in Attachment A.

## ITEM

Connecticut State Colleges \& Universities (CSCU) - Fiscal Year 2019 Budget/Spending Plan and Fiscal Year 2018 Projections

## BACKGROUND

At the April 25, 2018 meeting of the Finance and Infrastructure Committee meeting, management provided the members with information concerning SEBAC provisions and fringe benefit rate increases which were expected to impact the fiscal year 2019 budgets. In summary:

- All full time employees covered by bargaining unit agreements will be paid a one-time \$2,000 in FY2019; part-time represented employees will be prorated.
- Fringe benefit rates are expected to increase for all employees, but especially for those in the State Employees Retirement System (SERS); the projected fringe rate for SERS increases by $16.9 \%$, or eleven percentage points, to $76.05 \%$. Including the increase in average cost of medical insurance, SERS employees are estimated at a $92.29 \%$ fringe benefit rate.

These factors were used to project the FY2019 impact at over $\$ 45 \mathrm{M}$ additional cost to the system. For purposes of this projection, the FY2018 Mid-Year Projections and the Governor's recommended appropriations were used, and no attrition was assumed.

Since then, the state has issued a final FY2019 budget, and the institutions have updated their projections for FY2018. Both have been favorable to the system:

- The most recent FY2018 projections as calculated by the institutions and provided herein are significantly improved:

## CSCU Consolidated

$(12,596,753) \quad$ February Projections
$(6,410,425) \quad$ May Projections

6,186,328
$$

Improved Projections

- The following table shows the state appropriations for FY2018 and the February proposed and May final FY2019 appropriations.
o We have also included the appropriations for the Roberta Willis Scholarship program as changes in this state line item can impact CSCU enrollments. The amounts appropriated herein is for all Connecticut eligible institutions.

| Roberta Willis | 35,345,804 | 33,388,637 | 33,388,637 | $(1,957,167)$ | - |

- Charter Oak State College
o The increased appropriation above recognizes a fiscal cliff that was projected for COSC.
o Losses originally projected that COSC would use up reserves completely in FY2019. OPM and legislators responded to managements' concerns, greatly helping the FY2019 budget situation for the college.
0 As discussed further herein, there were additional structural changes undertaken to secure COSC's financial position and the college's management team continues to evaluate strategies to improve enrollment and revenues.
- Community Colleges
o The $\$ 16.2 \mathrm{M}$ above has been provided to the Community Colleges to offset the impact of the significant increase in fringe benefit rates on the results, and the inability of the colleges to raise tuition and fees enough to cover the large operating fund impact.
o However, the general fund appropriation for the Community Colleges has been decreased by \$6.2M.
o Overall, and including the fringe benefit impact of the general fund reduction, the Community Colleges are approximately $\$ 1.4 \mathrm{M}$ worse off than prior year and approximately $\$ 5 \mathrm{M}$ better off than the Governor's Recommendation as shown below (\$ millions):

|  | vs FY18 Final | vs FY19 Gov Rec |
| :---: | :---: | :---: |
| Delta (above) | (9.8) | (6.3) |
| Delta w/ Fringe | (17.6) | (11.3) |
| FB Support | 16.2 | 16.2 |
| Net Inc/(Dec) | (1.4) | 5.0 |

- State Universities
o Funding has improved by $\$ 4.1 \mathrm{M}$ from prior year and remains relatively flat with the Governor's February recommendations.

With the improved outlook for FY2018 as reported by the institutions, and with the additional state funding provided in the final state budget, the FY2019 budget - while still unfavorable in many respects - is much improved from the projections provided to the Finance Committee in April.

## ANALYSIS FY2018 PROJECTIONS

The most current FY2018 projections, while significantly improved from the February projections, continue to indicate a loss for the year for the Community Colleges and for Charter Oak (\$ millions):

## FISCAL YEAR 2018 MAY PROJECTIONS

|  | Revenue | Wages/ <br> Salaries | Fringe Benefits | Other Expenses | Total Expenses | Debt Service | Net Set-Asides /Transfers | Net Results |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| State Universities | 708.4 | 309.0 | 185.0 | 174.1 | 668.1 | (34.5) | (5.6) | 0.2 |
| Community Colleges | 454.0 | 241.6 | 146.6 | 73.0 | 461.2 |  | 1.3 | (6.0) |
| Charter Oak State College | 16.5 | 9.2 | 5.3 | 2.6 | 17.1 |  |  | (0.6) |
| Board of Regents | 0.6 | 0.4 | 0.3 |  | 0.6 |  |  | 0.0 |
| Total CSCU | 1,179.5 | 560.1 | 337.2 | 249.7 | 1,147.1 | (34.5) | (4.3) | (6.4) |

- The State Universities are projecting a break-even for the year. This is significantly improved from the earlier projections, generated by personnel cost savings. Vacancies were not filled in order to preserve budget at all of the four universities, but primarily at CCSU and SCSU.
- The Community Colleges' May projection is relatively close to the one submitted in February. The colleges in aggregate also held vacancies open in the most recent projection resulting in about $\$ 1 \mathrm{M}$ in reduced spending, but still projected at a $\$ 6 \mathrm{M}$ loss for the year.
- Charter Oak's current projections are the same as provided in February.
- The Net Set-Asides/Transfers at the State Universities are primarily related to the extra longevity payment deferred from FY2018 to FY2019. The funds are shown transferred back into net results below in the summary of the FY2019 Budget.
- Debt Service at the State Universities is to pay off debt incurred through CHEFA bond sales which are used to finance dormitories and student centers/parking structures at the universities.

The FY2018 losses sustained by Charter Oak and the Community Colleges are discussed further below in the Analysis of Unrestricted Net Position.

## ANALYSIS FY2019 BUDGET

The following summarizes the FY2019 Budget for CSCU constituent units:

FISCAL YEAR 2019 BUDGET SUMMARY

|  | Revenue | Wages/ Salaries | Fringe Benefits | Other Expenses | Total <br> Expenses | Debt Service | Net Set-Asides /Transfers | Net Results |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| State Universities | 749.8 | 329.3 | 214.5 | 179.1 | 722.8 | (34.4) | 6.0 | (1.4) |
| Community Colleges | 473.9 | 248.6 | 159.5 | 74.3 | 482.4 |  | 1.8 | (6.7) |
| Charter Oak State College | 16.2 | 8.0 | 5.8 | 2.5 | 16.2 |  |  | (0.0) |
| Board of Regents | 0.6 | 0.4 | 0.3 |  | 0.6 |  |  | 0.0 |
| Total CSCU | 1,240.6 | 586.2 | 380.1 | 255.8 | 1,222.1 | (34.4) | 7.8 | (8.1) |

- As discussed in the background section, there has been some additional funding provided by the state following the February estimates for FY2019 provided to the Committee, and the reductions in spending for FY2018 discussed above also benefit the FY2019 budget.
- In spite of these improvements, the State Universities and the Community Colleges in aggregate are budgeting losses in the coming fiscal year.
- State Universities - Attachment E

0 As indicated, ECSU is budgeting for a $\$ 1.4 \mathrm{M}$ loss in FY19.
0 WCSU would be incurring a loss in FY19 as well, but for the second year in a row the WCSU Foundation has committed to fund operations which will eliminate the $\$ 1.2 \mathrm{M}$ budgeted loss.

- Community Colleges - Attachment F
o The following colleges are budgeting for losses in FY19:
- Capital CC
- Housatonic CC
- Manchester CC
- Naugatuck Valley CC
- Norwalk CC
- Northwestern CC
- Quinebaug Valley CC
o The following colleges are budgeting at a break-even or slightly profitable in FY19:
- Asnuntuck CC
- Gateway CC
- Middlesex CC
- Three Rivers CC
- Tunxis CC
o In addition, the CCC portion of the System Office is budgeting a loss for FY19, primarily related to the start-up of Guided Pathways, absorption of the Call Center serving the 12 colleges and other CTDLC personnel, as well as other strategic initiatives. (See also comments re: Charter Oak below).
- Charter Oak is budgeting at a near break-even after a slight increase of state funding, and the System Office absorption of certain CTDLC personnel and activities which are deemed to be system-wide initiatives.
o We note that Charter Oak was absorbing all CTDLC costs in the past, and the college could no longer afford to fiscally support those initiatives or associated personnel costs.
o A reorganization has been planned for FY19 including bringing the Call Center into the System Office, and redeploying other activities, while leaving core competencies under the Charter Oak umbrella.
o Under SEBAC job security provisions, the associated personnel are being repositioned into appropriate functions.

## ANALYSIS UNRESTRICTED NET POSITION

The following table illustrates estimated unrestricted and undesignated reserves at the end of FY19:

|  | UNRESTRICTED NET POSITION (1) |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | Fiscal Year Ended |  |  |  |  |  |  |  |
|  | 2012 | 2013 | 2014 | 2015 | 2016 | 2017 | 2018 | 2019 |
| State Universities | 126.1 | 145.1 | 145.1 | 115.1 | 136.8 | 143.1 | 143.2 | 141.8 |
| Community Colleges | 28.3 | 15.2 | 13.3 | 25.7 | 37.7 | 45.7 | 39.8 | 33.1 |
| Charter Oak | 1.0 | 1.6 | 1.5 | 1.2 | 0.7 | 0.8 | 0.2 | 0.2 |
| Total | 155.4 | 161.8 | 159.9 | 142.0 | 175.2 | 189.6 | 183.2 | 175.1 |
| Estimated Undesigna |  |  |  |  |  | 136.6 | 130.2 | 122.6 |

(1) Unrestricted Net Position comes from the audited financial statements, less adjustments for GASB 68, Pension Liability, through FY17 (FY18 financial statements are currently under audit).
(2) Adjustments for designated funds relate to the CSU's set-asides for debt service, student designated projects, etc.

Based on estimated expenditures for FY19, this would leave the State Universities, Community Colleges, and Charter Oak with $0.67,0.63$, and 0.15 months of operating expenses in unrestricted, undesignated reserves on hand at the end of FY19. This represents the contingency funds on hand, which the professionals estimate should be approximately 6 - 9 months for a healthy "rainy day" fund in higher education.

## PATH FORWARD FOR FISCAL SUSTAINABILITY

Although projections are slightly improved over earlier estimates due to (1) improved state funding over expectation, and (2) continued cost cutting by the institutions, primarily via headcount reductions through attrition, the path forward still requires cost cutting measures in certain areas.

Management will continue to look for administrative cost savings and the ability to reprioritize spending to best serve students．

## RECOMMENDATION

Approve Fiscal Year 2019 Budget／Spending Plan for the Connecticut State Colleges \＆ Universities（CSCU），as summarized in Attachment A to this report．

NOTES: Adjustments to UNP balance include the transfer to State per Senate Bill 1601; only the projected Addition to/ (Use of) Funds for FY18 Projections and FY19 Budget are included above. Does not include expected disbursements for designated projects or potential changes in accruals for FY18 and FY19.
Designated reserves for debt repayment, project set-asides, etc. leaves approximately \$53M in contingency (undesignated) funds available at the end of FY17, which go down by FY19 year-end.
