The Student Advisory Committee (SAC) will be working on the following items for the remainder of the academic year:

- SAC Expectations and Standards - At the meeting, they discussed the addition of the following: being active, compassion, motivation and celebration. All reps were asked to think about other possible expectations and standards to be added and to email them to the Chair, Vice Chair and Advisor.
- ACT – The link to the ACT website was shared: [CSCU - ACT: Enhancing Accessibility, Completion, and Talent](#). Reps were asked to share and introduce this framework at their upcoming SGA campus meetings.
- Student Survey – A goal is to develop a system-wide survey to all students (the focus is on student resources and experiences). It was noted that more students may reply if there are incentives for completing the survey. Please email any incentive ideas for completing the spring student system survey. Ideas that were shared include food gift cards, SWAG from their campus/sweatshirts, and scholarship \$.
- SGA Meeting Dates - Email the dates to the Chair, Vice Chair and Advisor and indicate if they are virtual or in person. SAC Leadership would like to schedule Spring meetings with each of the campus SGAs.
