AUTHORIZING RESOLUTION

concerning

Salary of Eastern Connecticut State College Administrator

February 6, 1970

RESOLVED, That the salary of the Eastern Connecticut State College Administrator be placed in salary group 39, step 3. This salary shall be effective from December 26, 1969 until such time as a new President takes office at Eastern.

REMARKS: The rationale for the above resolution is the same as that previously used in similar circumstances, i.e., the Administrator's salary is placed at the same point as was the President's at the time of resignation. The Administrator will continue to receive his regular salary as Dean of Administrative Affairs with supplemental checks to make up the difference between the two amounts.
