## AUTHORIZING RESOLUTION

concerning

RELIGIOUS SERVICES

February 5, 1971

WHEREAS, students of the four state colleges, through the Student Advisory Board, have requested that authorization be given for religious services to be held on the college campuses and,

WHEREAS, the Attorney General of the State of Connecticut has ruled in a communication dated January 15, 1971 that "...State Colleges may permit the holding of religious services on campus in state-owned buildings where such religious services are not only the result of a voluntary request, but are also extra-curricular and voluntary as to attendance and as to time and mode of worship.", therefore,

BE IT RESOLVED, that the Board of Trustees for State Colleges authorizes the president of each state college to permit the holding of religious services on campus in college buildings provided they are voluntarily requested and sponsored by student organizations recognized by the college, are extra-curricular and voluntary as to attendance and as to time and mode of worship, are scheduled in accordance with available space, and are in conformance with institutional rules and regulations applicable to all student organizations and activities.
