RESOLUTION
concerning

INCREMENTS FOR UNCLASSIFIED PERSONNEL - 1972/73
Board of Trustees for the State Colleges

March 10, 1972

WHEREAS, the Executive Budget for 1972/73 does not include funds for anniversary increments for unclassified employees of the Board of Trustees for the State Colleges;

WHEREAS, appointments to unclassified positions under the Board of Trustees and under its predecessor, the State Board of Education, have regularly included reference to anniversary increments which have been granted annually for many years;

WHEREAS, the failure to provide anniversary increments for 1972/73 therefore amounts to an implied breach of contract;

WHEREAS, the real wages of such employees have decreased in the past two years because of inflation and increased taxation;

WHEREAS, the failure to provide increment funds for such employees amounts to a special tax on unclassified employees of the Board; and

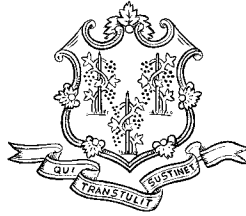

WHEREAS, the Board of Trustees assuredly will be unable to provide anniversary increments for such employees if funds for increments are not added to the proposed budget for 1972/73; Now Therefore,

BE IT RESOLVED, that Governor Meskill and the appropriate committees of the General Assembly be earnestly requested to include funds for anniversary increments for unclassified employees of the Board of Trustees - - for all faculty members and administrators of the State College system - - for 1972/73.

AND BE IT FURTHER RESOLVED, that copies of this resolution be presented forthwith to Governor Meskill and to the chairmen of the appropriate committees of the General Assembly.

The Honorable Robert D. Houley

and

The Honorable Rubin Cohen
Co-Chairmen, Appropriations Committee
State Capitol
Hartford, Connecticut

My dear Senator Houley and Mr. Cohen:

In regular meeting on Friday, March 10, 1972 the Board of Trustees for the State Colleges adopted a resolution urging the inclusion of funds for annual increments for unclassified employees in the Governor's 1972/73 Budget Request. A copy of the resolution is enclosed.

The faculty members and administrators of the Colleges feel strongly about this matter and the Board members appeared to share their sentiments. As the resolution indicates, the faculty members feel they are being discriminated against and the Board itself feels that the non-inclusion of funds amounts to an implied breach of contract.

The funds were originally in the budget request of the Board of Trustees but were not included in the Governor's Budget Report for 1972/73.

Whatever the Appropriations Committee can do to support the addition of funds will be deeply appreciated.

Sincerely,
