concerning

Committee Bill No. 8806

April 6, 1973

RESOLVED, that the Board of Trustees hereby requests the Executive Secretary to convey, on its behalf to the members of the Education Committee of the General Assembly, its support of Committee Bill No. 8806. This would authorize payment to Mrs. Joyce Phipps, widow of Professor Robert W. Phipps, who died on April 24, 1972, of the remaining portion of his contract with Southern Connecticut State College, in the amount of \$2,874.72.

The Honorable Irving J. Stolberg
Education Committee
State Capitol
Hartford, Connecticut

Dear Dr. Stolberg:

The enclosed resolution was passed by the Board of Trustees for the State Colleges of Connecticut during its meeting held on April 6. The Board has asked me to express to you its appreciation for your efforts on behalf of Mrs. Phipps. This generous lady has contributed Dr. Phipps' library to Southern Connecticut State College where it will serve his students and his colleagues.

You understand the academic world and know that Dr. Phipps had all but completed his work for the year. Even his final examination had been developed. His colleagues covered his last classes and managed the final examination. It seems only proper that the full salary for his years' work should be made available to his widow.

Sincerely yours,

James A. Frost
Executive Secretary
