Dear Mrs. Niejadlik:

My sincere appreciation to you and the other members of the Board of Trustees for the surprise which you announced at my retirement dinner Thursday evening, April the tenth. It was indeed thrilling news.

To have the lecture hall of the Hilton C. Buley Library named as the Genevieve J. Pajeski auditorium is a great honor and wonderful recognition. Your presentation of the Board's action was just beautiful and so well received by all in attendance.

I am most grateful to you and the entire Board for this tremendous tribute. I was really stunned. Every so often I have to pinch myself to realize that this happened to me. Many thanks from my family, friends and personally. I now know that the years of devotion and service to the College have not been in vain.

Sincerely,

*Genevieve*
