Dear Dr. James:

At a meeting on November 27, 1979, the Board of Higher Education took the following action:

RESOLVED that the Board of Higher Education, in accordance with the provisions of section 10-330 of the General Statutes, grant institutional reaccreditation to Central Connecticut State College to include all previously accredited programs and initial accreditation of a bachelor's degree (B.S.) program in Computer Science and a master's degree (M.A.) program in Community Psychology; said accreditation to be for a period of time until December 31, 1988, with a progress report to be submitted by November 30, 1983.

This favorable action taken by the Board is contingent on the appropriate commitment of resources and is subject to the usual ongoing accrediting review by the Board of Higher Education.

I wish you success in pursuing your mission and look forward to the receipt of your progress report.

Sincerely yours,

Dear Dr. Frost:

This is to confirm that the Commission for Higher Education at its April 6 meeting, based upon the recommendation of the Subcommittee on Coordination of Planning, voted planning approval for program development of the following:

- \* Bachelor of Science (B.S.) in Computer Science (Inventory Code: 0701) at Central Connecticut State College

This favorable coordinating action taken by the Commission is contingent on the availability of appropriate resources and carries the understanding that such program is subject to the usual licensing and accrediting by the Commission for Higher Education and the appropriate professional agency concerned, prior to offering this program.

We wish you success in your planning effort and CHE looks forward to receiving your application for licensure.

Sincerely yours,
