WHEREAS, David Newton, on behalf of the Connecticut State College American Association of University Professors, has requested that current promotions to Associate Professor and Professor be made at the same levels as those used in 1974, since guidelines have not yet been developed by which to determine how persons promoted to the lower salary groups can move upward to the higher salary groups used in 1974, be it

RESOLVED, That the Trustees hereby authorize the adjustment of those promotions approved July 16, 1976, and effective August 30, 1976, to the following Salary Groups of the Connecticut Compensation Plan, effective the same date:
