In the matter of reconstituting HERMANN BECKERT'S attendance history at Eastern Connecticut State College to take into account lost attendance records for the period January 1, 1961 to December 31, 1966, the parties signing below attest that the best and fairest recollection of Mr. Beckert's record indicates that he should be credited with balances of 105 vacation days and 206 $\frac{1}{2}$ sick leave days as of December 31, 1976.

The parties further agree that the matter will be considered resolved if the Board of Trustees for the State Colleges authorizes the recording of the above balances in Mr. Beckert's personnel record at the college.
