SUBJECT				

At the end of the spring semester, Mrs. Thomas J. Pepe donated a number of items of laboratory equipment to Eastern Connecticut State College, a fact which has just come to my attention.

This is to request that a resolution thanking Mrs. Pepe be presented to the Planning Committee. While the value is not high (approximately \$485) a letter of appreciation to Mrs. Pepe is probably in order.

I attach a copy of a list of these items prepared for the Chemistry Department by R. Max Ferguson.
