The building on the corner of High Street and Valley, formerly a single-family dwelling, was acquired by the State many years ago. Once used as a dormitory, it now houses faculty offices. Back in the 60's the building began to answer to the name, Beckert Hall, and has so answered ever since. Now that Hermann Beckert, after whom the building was informally named, has retired it occurred to some of us on campus that it would be a nice gesture for the Board of Trustees formally to designate this building Beckert Hall.

If you and Dr. Frost see no objection, I would appreciate having the matter presented to the Planning Committee sometime soon. If possible I would like to announce the official naming at a Hermann Beckert night which is planned for some time in April.
