Dear Jim:

I am enclosing a request from the Acting Dean of Student Affairs, Martin Curry, requesting an increase in the student activity fee from the present level of \$26 per year to \$34 per year. This was approved in a student referendum by a vote of approximately two to one.

In view of the escalation of costs these days and of the vitality of our student activity program, I heartily endorse this request from Mr. Curry on behalf of the students.

Sincerely,

Dear Dr. Jennings:

On May 10, 1979, the student body voted to increase the Student Activity Fee from \$26. a year to \$34. a year. We would ask your support in presenting this request to the Board of Trustees for its approval.

The Student Activity Fee is used to support the social, recreational, cultural and educational organizations on campus. Currently, the Student Affairs Committee supports seventy (70) clubs and organizations. These include the Crescent Players, the Chamber Orchestra, the International Club, the Southern News and related media, the Organizations of Afro-American and Latin American Students, the Water Polo and Lacrosse Clubs and many others.

As you are aware, the Student Activity Fee is paid by full-time undergraduate students only. Southern, as you can see from the attached sheet, has the lowest Student Activity Fee of the four State Colleges. In these inflationary times and with an increase in the number of clubs and organizations requesting funding, current revenues are not sufficient to meet operating needs. Clubs and organizations for 1979-1980 made requests for \$310,000 with projected revenues of only \$150,800.

We firmly believe that the clubs and organizations financed by the Student Activity Fee provide an invaluable service to our students and the College. They not only attract new students to our campus but also allow us to retain students presently enrolled at Southern.

Again, we would ask your support in having this most needed increase approved for the fall of 1979.

Sincerely,

Martin J. Curry, Chairman  
Student Affairs Committee
