#### RESOLUTION

concerning

BOARD OF HIGHER EDUCATION'S  
1980-81 GENERAL FUND BUDGET RECOMMENDATIONS

October 5, 1979

- WHEREAS, A report approved by the Board of Higher Education indicates that the State Colleges have been supported at about 43% below the National Average, and
- WHEREAS, The Board of Higher Education's Budget Request for 1980-81 provides only a 4.7% increase for the Connecticut State Colleges but called for increases for all other constituent units of 7.3% or higher, therefore, be it
- RESOLVED, That the Board of Trustees for the Connecticut State Colleges does not approve the Budget Request of the Board of Higher Education and will urge the Governor and members of the General Assembly to provide more adequate support than that recommended by the Board of Higher Education, and be it
- RESOLVED, That in so doing the Board of Trustees in no way implies that the funds recommended for other constituent units by the Board of Higher Education are excessive.
