## RESOLUTION

concerning

ESTABLISHMENT OF  
THE CENTER FOR INFORMATION SERVICES  
at  
SOUTHERN CONNECTICUT STATE COLLEGE

January 9, 1981

- WHEREAS, It is appropriate for the Division of Library Science and Instructional Technology at Southern Connecticut State College to include training in on-line information retrieval from remote data bases as part of the instruction program for the Master of Library Science Degree, and
- WHEREAS, Public and private school systems and other users in the State of Connecticut need such information retrieval services, and
- WHEREAS, It is anticipated that a Center for Information Services could provide such retrieval and should be able to do so on a financially self-sustaining basis, therefore, be it
- RESOLVED, That there be and hereby is established a Center for Information Services at Southern Connecticut State College and that the cost of the said Center shall be met completely by user fees and grants available for such programs, and be it
- RESOLVED, That at the meeting of the Trustees to be held in May of 1981, the Trustees will review the functioning of the Center, including income and expenses, and will determine whether the Center for Information Services will be discontinued as of June 30, 1981, or will be continued beyond that date.

SUBJECT

JANUARY 2, 1981, TELEPHONE DISCUSSION - A. BASCETTA AND MARK SULLIVAN  
OF BHE REGARDING BHE APPROVAL OF USER FEES.

It was agreed that user fee charges would not require the approval of BHE. These fees would be paid by individuals and institutions other than students for special services.

The question was specifically raised with respect to Southern's proposed Information Retrieval Services.

Mr. Sullivan remarked that BHE has not approved Clinic charges of the Health Center or Extension Service charges of U-Conn. Only fees charged students would require BHE approval.
