Dear Jim,

It is difficult to find the proper words to thank you and the Board of Trustees for the resolution giving me emeritus status at Western. I shall display it proudly when I finally get all my professional mementos organized at home.

I was especially gratified that you and all the others from the Central Office were at the beautiful party my friends gave me and that you were a part of the program. For me it was a memorable occasion.

I am sure that you know that though retired, I stand ready in the future to do anything for the new State University system.

Sincerely,

Gertrude Braun  
Vice President for  
Academic Affairs Emeritus
