Dear Jim:

This spring the road leading up to our campus will finally be connected as a main intersection with Route 6. The temporary fencing will be removed by then, and we will have an attractive drive leading up to the westside campus. It occurred to us that this road will need a name so that we can give directions to people entering the campus as to where to turn. We would like to name this road "University Boulevard." Could we possibly place this on the Planning Committee agenda and ultimately take it to the Board of Trustees for approval.

Sincerely,

Stephen Feldman
President
