STATE UNIVERSITY

Dear Dr. Frost,

In celebration of our University status, the President's International Student Resource Committee invites you and members of the Board of Trustees to attend an International Festival which will be held on Sunday, April 17, 1983 between 2-6:00 p.m. in the Student Center Ballroom. To date, thirty countries will be represented with members of both the university and local communities participating. Display booths of cultural artifacts and ethnic foods and an on-going show of approximately sixteen performing groups will highlight the occasion and emphasize the enrichment and learning of an intercultural approach to activities.

At 3:00 p.m., a brief ceremony will be conducted. Would the Board consider issuing a statement in recognition of International Day. Student spirit has been enthusiastic. I have discussed the occasion with Mr. Matthew Friedman, student representative on the Board.

With appreciation for any consideration you may give our request, I remain.

Sincerely yours,

Carol Lippia-Tenney, Ph.D.
