Dear Dallas:

I am most appreciative of your expediting the recommendation of Dr. Richard Pattenaude as the Vice President for Academic Affairs and Professor of Political Science at Central. This will certainly help us in arranging a timely announcement of his appointment to the University family and to the public at large.

My recommendation includes his appointment for July 1, 1986, at an annual salary of \$68,000.

Enclosed is his curriculum vita.

Rich is the clear choice of the administration and the faculty that have been involved in this long search and indeed is my number one choice for this position.

Thanks again for your help and support.

Cordially,
