Dear Dallas:

I am pleased to announce that the Perkin-Elmer Corporation of Norwalk has offered to donate to the University an Infrared Spectrophotometer, Model 1310.

This equipment will become a vital instrument used by our Chemistry Department in its teaching of organic chemistry classes and in research by our students and faculty. The instrument, valued at \$12,000, will enable the Chemistry Department to enhance its offerings to our students.

I request that our Board of Trustees consider accepting this gift. Perkin-Elmer has been most helpful to the University in recent years in providing equipment to our Chemistry Department.

Sincerely yours,

Michael J. Adanti
President
