Dr. Karen Beyard
Office of Vice President
for Academic Affairs
Central Connecticut State University
New Britain, CT 06050

Dear Dr. Beyard:

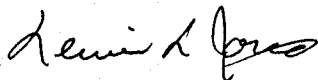

I would like to be considered for the position of Associate Vice President for Academic Affairs. Attached is a copy of my resume, in which I have outlined the essential aspects of my professional and educational background.

This position interests me for several reasons. First, the range of my administrative experience enables me to make a contribution at this level. Next, I want to return to central administration at a university in the northeast. Finally, my professional interests in higher education are meaningful affirmative action initiatives, faculty development programs, and the following personnel issues: appointment, promotion and tenure, faculty compensation policies.

I have included a list of references. Dr. Arthur Humphrey, former Provost of Lehigh University, is most familiar with my experience in central administration. You may contact him and others on the list.

You may contact me at (502) 588-6482, but I request that you send all written correspondence to my home address. Thank you for considering my application, and I look forward to hearing from you.

Sincerely,

Lewis L. Jones, Ph.D.
