EXPLAIN THE NATURE OF THE PROPOSAL:

To change the funding of this position from a Federal Grant to the Auxilliary Fund.

JUSTIFICATION:

The services of this incumbent are tied to the success of our minority recruiting and outreach program. This position provides counseling and academic support for our students, and their continued employment is essential, particularly in light of the dramatic reduction in student services caused by the State's current General Fund crisis. The grant which has supported this position is running out and has not been renewed.
