

RESOLUTION

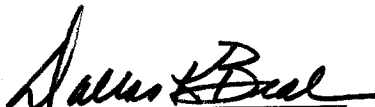

Concerning

SMOKE DETECTORS IN STUDENT RESIDENCES

July 20, 1990

- WHEREAS, It is the intent of the Trustees to continue insuring the safety and well being of all students residing in campus residence halls and dormitories; and
- WHEREAS, The provisions of Board Resolution #82-127, which provided for the installation of battery powered smoke alarms and the permanent wiring of alarms in residential facilities, have been substantially completed; therefore be it
- RESOLVED, That Board Resolution #82-127 is rescinded; and be it
- RESOLVED, That every bedroom of on-campus student residences be equipped with hard-wired smoke alarms, and that such alarms be permanently wired into the electrical system of each building and to an on-campus centralized fire monitoring location; and be it
- RESOLVED, That all common areas and corridors within the residential facilities be equipped with hard-wired smoke alarms; and be it
- RESOLVED, That all capital projects for construction or renovation of student residential facilities include provision for the installation of such smoke and fire alarm system, as applicable, to fulfill the intent of this resolution.

RESOLUTION

concerning

INSTALLATION OF SMOKE DETECTORS

November 5, 1982

BE IT

RESOLVED, That it is the intent of the Trustees to have individual smoke alarms in the bedrooms of on-campus student residences and that such smoke alarms be permanently wired into the buildings' electrical systems, and, further, that it is their intent to make required corridor and common area installations in said residences, and be it

RESOLVED, That, pending the wiring of smoke alarms to the buildings' electrical systems, battery powered smoke alarms may be used, and be it

RESOLVED, That the funds for this purpose shall be taken from the Housing Budget of the Auxiliary Services accounts of each College, major projects to continue to be financed as repair and renovations projects from the Central Office Auxiliary Services Account or from available bond authorizations, and be it

RESOLVED, That the Executive Director and the College Presidents are hereby directed to continue to pursue this matter with the utmost diligence.
