Dear Dr. Cibes:

The Chemistry Department at Southern Connecticut State University has recently received an Autosystem XL Gas Chromatograph and Model 1022 Single Data Channel System Integrator valued at \$14,635 from the Perkin-Elmer Corporation.

This equipment will benefit the students enrolled in the Chemistry program and will be a major asset to the Chemistry faculty involved in research projects.

I would appreciate it if you would place this on the agenda of the Academic Affairs Committee of the Board of Trustees. I have enclosed a draft resolution for your perusal.

Sincerely yours,
