

3.1 – WCSU Tuition Pilot (approved 9/16/16 via BR #16-098; effective Fall 2017 semester)

A tuition pilot program is approved permitting Western Connecticut State University to offer in-state tuition and fee rates to residents of seven New York neighboring counties: Dutchess, Putnam, Westchester, Orange, Rockland, Sullivan and Ulster. The pilot begins in Fall 2017 and must be evaluated after a two-year period for continuation. Students already at WCSU who geographically qualify and new students admitted under this pilot will continue at in-state rates until graduation or withdrawal.
