

## CSCU Pathway Transfer A.A. Degree: Art Studies 2021-2022

The collaborative effort that created this pathway degree revealed significant differences in contact hours among the 16 institutions, differences detailed on the next page. The Art Studies Work Group strongly supports CSCU Community Colleges' adoption of the standard practice of requiring 6-contact hours per week for all 3-credit courses in studio art. Faculty are concerned that community college transfers having completed 3-contact-hour 3-credit courses may be disadvantaged upon entering the CSU programs.
