Notes

1. Please note that the year-over-year comparison reflects current data for CT State, where students are assigned to a home campus. Prior year data reflected summary data where students were counted in each campus in which they were taking courses.

Full-time equivalent enrollment is calculated in this worksheet as 15 undergraduate credit hours = 1 FTE, 12 graduate credit hours = 1 FTE. This figure will be lower than official FTE reports based on credit hours, which include a full 12 months of instructional activity as well as official FTE reports based on the NCES fall headcount conversion formula.

CT State headcount is based on home campus count. Credit Hours and FTE is calculated based on seat campus.
